Decision No. 10/83

Bro. 19/83

Before the Broadcasting Tribunal

IN the matter of the Broadcasting Act 1976; and in the matter of an application by NORTHERN TELEVISION LIMITED, to the Tribunal to make rules or issue directions pursuant to Regulation 7 of the Broadcasting Regulations 1977, and/or Rules 3.2 and 3.3 of the Procedural Rules relating to warrants:

Lionel R. Sceats, Acting Chairman; Ann E. Wilson, Member.

Counsel: Mr B. R. Latimour for applicant; Mr E. W. Thomas for CTV Television Ltd.

DECISION

WE have considered this matter. The applicant submitted the information in a document which became a public document as from 29 June 1983.

The financial situation is fundamental to the application and may affect the support or objections made by members of the public. It is a consequence of applying for a warrant that the applicant's financial situation becomes subject to public scrutiny. Once the material has been supplied the Tribunal considers it has no power to either accept it solely for the Tribunal or to order confidentiality.

The Tribunal has considered counsel's proposals that the financial information relating to Northern Television be supplied by way of evidence rather than in the application, but as the material has already been lodged with the Registrar the Tribunal feels this course cannot be adopted.

The Tribunal intends to make the material available in its entirety.

Dated at Wellington this 7th day of July 1983.

L. R. SCEATS, Acting Chairman.

A. E. WILSON, Member.

Decision No. 27/82

Bro. 22/82

Before the Broadcasting Tribunal

IN the matter of the Broadcasting Act 1976; and in the matter of an allegation by THE NEW ZEALAND PUBLIC SERVICE ASSOCIATION that the Broadcasting Corporation of New Zealand is in breach of section 82 (1) of the Act:

Chairman: B. H. Slane, Member: Lionel R. Sceats, Member: Ann E. Wilson, Co-opted Member: Gordon C. Ell, Co-opted Member: Brian W. Stephenson.

Hearing: 16 December 1982.

Counsel: P. J. Bartlett for New Zealand Public Service Association; B. Hudson for Broadcasting Corporation.

ORAL PROCEDURAL RULING

The Sixteenth day of December 1982

THE Tribunal has decided that it will proceed but that a notice will be given to the BCNZ specifying the allegations based on the information and statements made by the Public Service Association in their original correspondence with the Tribunal. The Corporation is already in substance aware of the allegations made because of the correspondence, based on the allegation by the Public Service Association, that the corporation has permitted Northern Television to obtain the benefit of the advertising in the contracted time.

So a formal notice will be sent with adequate notice of the date of the hearing. The Tribunal will be happy to suggest submissions be made to the Registrar as to a suitable date.

The Tribunal does not accept the submission made by Mr Hudson that the bona fides of the Public Service Association should be inquired into before the matter is dealt with or that it should form part of the inquiry by the Tribunal. We consider that the Public
