

9. Except so far as may be expressly set out in this consent, this consent shall not be deemed to authorise the generation of electricity by the use of water for consumption by any person other than the grantee or consumption on any premises other than premises occupied by the grantee.

10. The grantee shall at all times maintain all works for the time being in use so as to be in good and proper working order in accordance with the requirements of the regulations and at all times maintain all works erected by the grantee pursuant to the consent whether in use or not in such good and safe condition as in the opinion of the Minister to be unlikely to cause any danger to life or property.

11. It shall be lawful for any person acting as an Inspecting Engineer of the Ministry of Energy (Electricity Division) at all times after the grant of the consent whether during or after the construction of any works to enter upon and inspect such works for the purpose of ascertaining whether these conditions and the regulations are complied with, and for that purpose to require that any motive machinery be set in motion and to take specimens of material, make tests and measurements, and do all other things reasonably necessary or convenient for the purposes of such inspection, and the grantee will at all times comply with the reasonable requirements of any such person in the premises.

12. If the parties so agree it shall be lawful at any time for the grantee to surrender this consent and the Minister to accept such surrender subject to such terms and conditions as may be agreed upon.

13. The grantee shall indemnify and keep indemnified the Ministry of Energy (Electricity Division) against all liability to pay compensation to any person or local authority by reason of the exercise by the grantee of the powers conferred by the consent.

14. Neither the granting of the consent nor anything in the consent expressly or by implication contained shall affect or prejudice any liability imposed by law on the grantee to pay compensation or damages to any person arising by reason of the exercise by the grantee of the powers conferred by the consent.

15. The rights granted by the consent shall be subject to all existing rights theretofore granted and validly held and enjoyed under any enactment or otherwise.

16. If at any time during the continuance of the consent the grantee fails or neglects to observe, perform, and comply with any of the provisions in the consent expressly or by implication contained, or otherwise makes default in complying with the terms of the consent, then the Minister may forthwith by notice in writing to the grantee revoke and determine the consent.

17. The grantee of this consent must give notice to the Ministry of Energy (Electricity Division) Wellington of any change of address of the grantee, or of the registered office, or usual place of business of the grantee.

18. (a) Any notice to be given to the grantee shall be sufficient if served personally on the grantee or (in the case of the grantee being a corporate body) delivered at the registered office or usual place of business of the grantee to a person appearing to have for the time being the control of such premises, or sent by registered post letter addressed to the grantee at the postal address set out in the application for a consent or any subsequent address notified by the grantee to the Minister.

(b) Any notice to be given on the part of the Minister shall be sufficient if given in writing signed by the Minister or by any person purporting to act on behalf of or under the authority of the Minister.

(c) Any notice to be given to the Minister shall be sufficient if given in writing delivered to or sent by registered post letter addressed to the General Manager, New Zealand Electricity, Private Bag, Wellington.

SCHEDULE

LOCATION AND GENERAL DESCRIPTION OF WORKS

- (a) Headworks consisting of a dam, intake, and pipeline leading to the powerhouse, giving a static head of approximately 10 metres.
- (b) Turbine and powerhouse with all necessary equipment for generating electricity situated in Section 2A, Block XIV, Otukotara Survey District.
- (c) Tailrace leading from the said powerhouse back to the Otamatea Stream.

As shown on the plan marked SHD500, deposited in the office of the Electricity Division, Ministry of Energy at Wellington.

Signed at Wellington this 14th day of July 1983.

W. F. BIRCH, Minister of Energy.

The Water Recreation (Mangatete Stream) Notice 1983

I, Beryl Ann Ranger, Senior Executive Officer (Harbours and Foreshores), pursuant to the Water Recreation Regulations 1979* and in exercise of powers delegated to me pursuant to sections 8 and 9 of the Ministry of Transport Act 1968, hereby give the following notice:

SCHEDULE

1. (a) This notice may be cited as the Water Recreation (Mangatete Stream) Notice 1983.

(b) This notice shall come into force 14 days after its publication in the *New Zealand Gazette* and shall remain in force until further notice.

2. Subject to the conditions set forth in the Second Schedule hereto, regulations 7 (1) (b), 7 (2), 8 (1) (b), and 8 (2) of the Water Recreation Regulations 1979 shall not apply to the area as described in the First Schedule hereto.

FIRST SCHEDULE

ALL that area of water of the Mangatete Stream between grid references 294838 and 300832 (NZMS 1 sheet N165) as more particularly shown coloured green on plan M.D. 16186 and deposited in the office of the Secretary for Transport at Wellington.

SECOND SCHEDULE

1. Notwithstanding any other provision of this notice, no person who is permitted by any such provision to propel or navigate a small craft at a speed through the water exceeding 5 knots shall do so in any manner that is likely to endanger or unduly annoy any person who is in, on, or using the waters, or fishing, or undertaking any recreational activity in the vicinity of the small craft.

2. All persons in charge of a vessel shall adhere to and keep the provisions of all other Acts and regulations not specifically exempted by this notice.
