NAPIER CITY COUNCIL

NOTICE OF INTENTION TO TAKE LAND

NOTICE is hereby given that the Napier City Council proposes, under the provisions of the Public Works Act 1981, to execute certain public works, namely the provision of access ways between Faraday Street and Hooker Avenue, Colenso Avenue and Milton Road, Faraday Street and May Avenue, and for the purpose of such public works the land described in the Schedule hereto is required to be taken for access ways.

And notice is hereby further given that a plan of the land so required to be taken is deposited in the public office of the Napier City Council situate in Hastings Street, Napier, and is there open for inspection without fee by all persons during ordinary office hours.

All persons affected by the execution of the said public works or by the taking of the said land should, if they have any objections to the execution of the said public works or to the taking of the said land, not being objections to the amount or payment of compensation set forth such objection in writing and send the same within 30 days of the first publication of this notice to the Registrar, Planning Tribunal, Tribunals Division, Justice Department, Private Bag, Postal Centre, Wellington.

If any objection is made in accordance with this notice, a public hearing of the objection will be held, unless the objector otherwise requires, and each objector will be advised of the time and place of the hearing.

OPEN JUSTICE

A Guide to Information Within the Department of Justice

DEPARTMENT OF JUSTICE

88 p. 1982.

\$3.50 plus 55c p & p

Produced jointly by Brian Priestley and the Department of Justice, this publication is intended to capture and hold the reader's attention and facility to ready referencing of the subject covered. It does this admirably in being a guide to the information available to the public within one of New Zealand's most important and complex Government departments, as well as a booklet which is likely to be read and considered by many people interested in the campaign for more openness in government.

THE BOAT OWNER'S GUIDE TO CORROSION

by L. H. Bolton

DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH

31 p. 1982. Illustrated. D.S.I.R. Info. Series No. 155

\$4.25 plus 55c p & p

Much has been written about marine corrosion and its mitigation and yet the same problems and many old misconceptions still seem to persist. This booklet aims to assist the boat owner to identify the basic types of metallic corrosion, to understand their causes and the procedures that should be followed to avoid corrosion situations from developing in the first instance.
