Import Licence Tendering: Round Eleven

It should be noted that the second allocation of tubes and tyres under the import licence tendering scheme as printed in the Supplement to the *New Zealand Gazette* on 28 October 1983, is subject to the same condition as the first allocation, namely,

"No single group of companies is allowed to win more than the specified maximum number of units a tenderer may bid for as advertised under each tender for tubes and tyres. A group of companies is regarded as those companies associated by a 25 percent or more direct or indirect common investment. Licence will be withheld entirely from any group of companies going beyond this limit."
