Frances M. Ross

47 p. 1983. Illustrated

\$2.25 plus 55c p & p

This booklet takes a nostalgic look at a century of wildlife in the Te Anau region. With historical monochrome photographs and text, Frances Ross has compiled a very interesting account of the impact that man has made on the flora and fauna of the region. *A Tourist Guide to Te Anau*, just as it appeared in *Tourist Guide to the Lakes, Mountains and Fiords of Otago*, published by the Government Printer in 1898, has been thoughtfully included to round off this glimpse into our past.
