Direction not to Disclose Information

Pursuant to section 32 (4) of the Official Information Act 1982, a copy of the direction to the Principal Secretary of the Department of Education and the Computer Services Division of the State Services Commission which is sought by Mr W. J. Rosenberg and by the New Zealand Post Primary Teachers Association and recommended to be released by the Chief Ombudsman pursuant to section 30 (2) of the Official Information Act 1982, should not be made available. Accordingly, I direct the department pursuant to section 32 (1) (a) of the Official Information Act 1982, not to release the report. My decision is recorded in accordance with section 32 (2) of the said Act.

SCHEDULE

Director-General of Education

1. This is to advise you that I have decided that the computer evaluation report, prepared by the Department of Education and the Computer Services Division of the State Services Commission which is sought by Mr W. J. Rosenberg and by the New Zealand Post Primary Teachers Association and recommended to be released by the Chief Ombudsman pursuant to section 30 (2) of the Official Information Act 1982, should not be made available. Accordingly, I direct the department pursuant to section 32 (1) (a) of the Official Information Act 1982, not to release the report. My decision is recorded in accordance with section 32 (2) of the said Act.

2. The grounds for this direction are that the information contained in the evaluation report is related to the competitive commercial activities of those companies who supplied information to the department. It is my opinion that this material was supplied in confidence and I believe that the making available of the information...
could prejudice the supply of similar information. I consider that it is very much in the public interest that such commercial information continue to be supplied to government for use in policy making and, that to ensure this, confidentiality must be maintained. This decision is not based on any advice.
