Declaration of the National Hydatids Council for the Purposes of Subsection (1A) of Section 73, Dog Control and Hydatids Act 1982 (No. 3321)

PURSUANT to subsection (1) of section 73, Dog Control and Hydatids Act 1982, the National Hydatids Council hereby declares as follows:

1. That all Hydatids and Dog Control Officers are hereby empowered from time to time to exempt dogs from examination and treatment for hydatids where the officer is satisfied that conditions relating to the control and feeding of the dog, the districts where it is usually kept or may be taken, the occupation of the owner, the purposes for which the dog is likely to be used, set by him in accordance with the Dog Control and Hydatids Act 1982 and any Regulations thereunder, and the conditions set out in clause (2) of this declaration, are likely to be observed.
2. That any exemption by a Hydatids and Dog Control Officer of any dogs shall be subject to the observation by the owner of the following conditions:
 - (a) That his dog(s) is/are not used for hunting or working purposes at any time.
 - (b) That his dog(s) is/are kept under proper control at all times.
 - (c) That his dog(s) is/are not fed or allowed access to any raw offal or any untreated sheep or goat meat as defined in the Dog Control and Hydatids Act 1982.
 - (d) That no dog(s) of his or in his care and control will be taken on to any farm land or to any sale or any other Hydatids Control District unless accompanied by a current Special Owner Policy Certificate.
 - (e) That all dog(s) owned or kept by him will be registered in accordance with the Dog Control and Hydatids Act 1982.
 - (f) That he shall comply with any notice lawfully given pursuant to the Dog Control and Hydatids Act 1982 received from a Hydatids and Dog Control Officer.
 - (g) That he or his duly authorised agent shall always be in attendance for the inspection of his property, and shall render the officer every possible assistance as requested by a Hydatids and Dog Control Officer.
 - (h) That the Hydatids and Dog Control Officer reserves the right on reasonable grounds at any time to require the dog(s) be treated with arecoline or in any other manner approved by the National Hydatids Council.

(i) That any deaths, sales, or transfers of dogs owned by him, including pups born to his dog(s) will be notified, in writing, to the Hydatids and Dog Control Authority of his area.

(j) That he understands that any breach of these conditions will lead to the immediate cancellation of the exemption of his dogs from hydatids examination and treatment.

(k) That he is aware that the granting of an exemption does not relieve him from payment of the full dog control fee.

3. That the National Hydatids Council, or the officer may from time to time review, amend or revoke any such exemptions where the Council or the officer is satisfied:

(a) That the exemption should not have been granted; or

(b) The conditions of the exemption have not been or are not being observed.

Declared at Wellington this 17th day of July 1984 by the National Hydatids Council.

T. MCCRISTELL, Chairman.

KEES KASPER, Chief Executive Officer.
