

Because few pupils from the school undertake further education and because the fund is larger than necessary to establish a tertiary level scholarship it is inexpedient to give effect to the terms of the trust.

The proposed scheme if approved by the Court will substitute new trusts pursuant to which:

1. Two-fifths of the annual income from the trust fund will be used to establish and maintain the scholarship known as the W. N. Campbell Scholarship. The Scholarship will be available to assist past and present pupils of the Catlins Area School (formerly known as the Owaka District High School) to undertake courses of study at tertiary level institutions.
2. One-twentieth of the annual income of the trust fund will be used for the purchase acquisition and presentation of prizes to pupils of the Catlins Area School for the writing of essays, poetry or both.
3. One-twentieth of the annual income of the trust fund will be used to purchase books relating to English Literature for the Catlins Area School library.
4. One-tenth of the annual income of the trust fund will be used for the teaching of English Language and literature at the Catlins Area School.
5. Two-fifths of the annual income of the trust will be used for the promotion and development of the cultural knowledge and appreciation of pupils of the Catlins Area School and members of the Owaka Community.

If the scheme is approved the Trustees shall control the trust fund, its investment and the collection of income derived from its investment. The Trustees shall pay the income realised by the trust fund to the Otago Education Board.

The Otago Education Board shall be responsible for the expenditure of all trust income and the administration of the trusts established by the scheme.

An advisory committee consisting of representatives of the school, the Otago Education Board and the Owaka Community shall be established to consider applications for the W. M. Campbell Scholarship and recommend suitable recipients to the Otago Education Board and to submit proposals to the Otago Education Board for the expenditure of trust money not allocated to the scholarship.
