AUDITORS' REPORT TO THE TRUSTEES OF THE
WELLINGTON SAVINGS BANK

We have obtained all the information and explanations that we have required. In our opinion proper accounting records have been kept by the bank so far as appears from our examination of those records.

In our opinion, the accompanying balance sheet, profit statement and funds statement give, using the historical cost method, a true and fair view of the financial position of the bank at 31 March 1984 and the results of its business and the changes in financial position for the year ended on that date.
