Present:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

PURSUANT to the Public Works Act 1981, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. This order may be cited as the Kapiro - Pungaere Irrigation Order 1984.

2. The Minister of Works and Development is hereby authorised to construct, maintain and control the water supply works described in the First Schedule hereto to serve the district described in the Second Schedule hereto.

3. The area of land described in the Second Schedule is hereby constituted as an irrigation district to be known as the Kapiro - Pungaere Irrigation District (herein referred to as "the District").

4. The annual basic charge payable in respect of irrigable land within the irrigation district and served by the scheme shall be \$130 per hectare.

5. The annual water availability charge payable in respect of water supplied shall be \$140 per 1000 cubic metres.

This will entitle the occupier to use up to a total of 1500 cubic metres of water per irrigable hectare per season over the area subject to a water availability agreement. This will result in an effective minimum charge of \$210 per hectare. Extra water will be available up to a total of 1000 cubic metres per hectare in any irrigation season, and the occupier shall be liable for an extra water charge based on the actual quantity used and at the same price per 1000 cubic metres as for the water availability charge.

In some seasons water supply may be reduced by the Minister of Works and Development for that season as provided for in section 218 of the Public Works Act 1981, and the charge may be reduced.

6. Water charges under section 214 of the Public Works Act 1981 shall be payable over 30 seasons of supply, commencing from the availability of water.
