The Local Government Commission (Extension of Time) Order 1984

DAVID BEATTIE, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington this 17th day of December 1984

Present:
THE HON. G. W. R. PALMER PRESIDING IN COUNCIL

WHEREAS the Local Government Commission is required by section 125A (6) of the Local Government Act 1974 (as applied by section 61A(9) of the Auckland Regional Authority Act 1963 that was inserted by section 41 (2) of the Urban Transport Act 1980) to determine any objection received by it to any decision of the Auckland Regional Authority under section 125A(4) of the Local Government Act 1974 (as so applied) on any objection against a resolution of the Authority under section 125 (1) of that Act determining the basis on which the net urban transport expenditure of the Authority is to be assessed and charged to local authorities:

And whereas the Local Government Commission is required to make its determination within 1 month after receiving the objection:

And whereas an objection to such a decision made on the 19th day of November 1984 was received from the Rodney County Council on the 10th day of December 1984:

And whereas other objections could be received not later than the 19th day of December 1984:

And whereas the Local Government Commission has sought an extension of the time within which it must determine the objection from the Rodney County Council and any other objections that it may receive:

And whereas it appears that, having regard to the time available, the complexity of the matter, and the need to allow all interested parties sufficient time to prepare submissions and appear before the Commission, the Local Government Commission cannot determine, within the period required by the Local Government Act 1974, the objection that it has received and any other objections that it may receive:

NOW, THEREFORE, Pursuant to section 719 of the Local Government Act 1974, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, hereby makes the following order.

ORDER

1. Title and commencement—(1) This order may be cited as the Local Government Commission (Extension of Time) Order 1984.

(2) This order shall come into force on the day after the date of its publication in the Gazette.

2. Extension of time—The time within which the Local Government Commission is required by section 125A (6) of the Local Government Act 1974 to determine the objection received from the Rodney County Council and any other objections that it may receive to any decision of the Auckland Regional Authority made on the 19th day of November 1984 under section 125A (4) of the Local Government Act 1974 relating to an objection against a resolution of the Authority under section 125 (1) of that Act determining the basis on which the net urban transport expenditure of the Authority is to be assessed and charged to local authorities is hereby extended until the close of the 8th day of March 1985.

P. G. MILLEN, Clerk of the Executive Council.

The New Zealand Stock Exchange Rules 1983

DAVID BEATTIE, Governor-General

ORDER IN COUNCIL

At the Government Buildings at Wellington this 17th day of December 1984

Present:
THE HON. G. W. R. PALMER PRESIDING IN COUNCIL

PURSUANT TO SECTION 7 (3) OF THE SHAREBROKERS ACT 1981, HIS EXCELLENCY THE GOVERNOR-GENERAL, ACTING BY AND WITH THE ADVICE AND CONSENT OF THE EXECUTIVE COUNCIL, HEREBY APPROVES THE FOLLOWING AMENDMENTS TO THE RULES OF THE NEW ZEALAND STOCK EXCHANGE.
A member may have one or more branch offices. A branch office may be located in the territory of the member's regional exchange, in the territory of any other regional exchange, or outside New Zealand.

A member who has a branch office shall:

Under the direct full-time control of at least one ordinary member from the same regional exchange as the member. A branch office shall be deemed to be under the direct full-time control of such member only if he is present in person at the branch office to the same extent as a full-time sharebroker without a branch office is normally present in person at his place of sharebroking business;

Situated in a place separate from any place of sharebroking business of another member (not being a partner or employee of the first-mentioned member) and, if situated in the territory of a regional exchange other than the territory of the member's regional exchange, operated independently from any other place of sharebroking business in the territory of that regional exchange; and

Open during all normal business hours.

Where a member's branch office is situated in the territory of a regional exchange that is not his regional exchange, the sharebroking business conducted in or from the branch office shall be subject to:

Rule 23.0 of these rules in as much as the member had his principal place of sharebroking business in the territory of that regional exchange; and

The by-laws of both regional exchanges:

Provided that in the case of any conflict between such by-laws, the by-laws of the regional exchange within the territory of which the branch office is situated shall prevail.

Before a member may open a branch office within New Zealand or overseas, he shall give the Exchange at least 1 month's written notice of his intention to open a branch office, which notice shall:

Contain details sufficient to identify the place where the branch office is to be opened and the ordinary member or members under whose direct full-time control the branch office is to carry on sharebroking business; and

Be accompanied by a certificate of audit and report prepared by the Inspector for the member's regional exchange not more than 1 month prior to its receipt by the Exchange. The certificate shall deal with such financial matters as a certificate of audit under Rule 23.02 shall and shall conclude with a statement that the member's accounts and related subsidiary records are being maintained in a satisfactory and systematic manner and are being kept regularly up-to-date.

On receipt of a notice under Rule 6A.07, the Executive Director shall forthwith forward a copy of the notice to the chairman of the regional exchange within the territory of which the branch office is to be opened or, in the case of an overseas branch office, to the chairman of the member's regional exchange.

Where a member's branch office is not situated in the territory of his regional exchange but in that of another regional exchange, the member shall not participate either in person or through an authorised clerk in any official trading meeting held by that other regional exchange.

All contract notes, deliveries, and settlements shall be issued from or made at the member's principal place of sharebroking business.

The powers, authorities, and discretions conferred by or under these rules on the committee of a regional exchange may be exercised by such committee in respect of a member in relation to his branch office where the member is from another regional exchange and has a branch office within the territory of that committee's regional exchange. Nothing in this rule shall preclude the committee of a member's regional exchange exercising such powers, authorities, and discretions in respect of the member;

Provided that the committee of a member's regional exchange shall not exercise any such power, authority, or discretion in respect of the member in relation to his branch office within the territory of which the member's branch office is situated the opportunity to exercise such power, authority or discretion.

Subject to Rule 6A.13, where a member's branch office is situated overseas, the provisions of these rules (other than Rule 6A.10) which relate to the conduct of sharebroking business at a branch office shall apply to such branch office;

Provided that these rules shall not apply to the extent that they may conflict with any requirements whether statutory or otherwise that apply in the jurisdiction in which such branch office is situated.

Rule 23.0 of these rules shall apply in respect of a member's sharebroking business carried on at a branch office outside New Zealand as if such business were carried on at the member's principal place of sharebroking business:

Provided that for the purposes of Rule 23.0 as applied by this rule, an inspector appointed under Rule 23.04 may appoint an overseas chartered accountant in public practice as his agent and delegate to him any or all of his powers as inspector in relation to the sharebroking business carried on at that branch office.

No payment shall be made from the Fidelity Guarantee Fund under Rule 24.0 of these rules in respect of a sharebroking transaction entered into by a member through an overseas branch office, whether or not any contract note issued in respect of such transaction is issued from such office or the member's principal place of sharebroking business.
(c) The requirements, restrictions, and prohibitions on fishing tackle, methods, and the use of gear, equipment or devices:
(d) The hours of fishing:
(e) The handling, treatment, or disposal of any trout:
are as specified in the Taupo Fishing Regulations 1984.
Approved this 11th day of December 1984.
M. J. BELGRAVE,
Assistant Director-General of Agriculture and Fisheries.

EXPLANATORY NOTE
This note is not part of the notice, but is intended to indicate its general effect.
This notice sets the conditions under which a current licence holder may fish for acclimatised fish in the Taupo District of the Central North Island Wildlife Conservancy Acclimatisation District, as being more particularly set forth in the Taupo Fishing Regulations 1984.
