

THE following are the official results of the Exclusive Australian Licence (EAL) issues, by item code, under ANZCERT for:

Manufacturers' Exclusive Australian Licences (MEALs)

—for gloves and certain rubber goods.

Manufacturers applied for up to 50 percent of the EALs made available.

MEALs and TEALs issued are valid nominally from 1 January 1983 to 30 June 1984. However, because TEALs were not issued until 20 January 1984, extensions will be granted where necessary to allow a full year's usage. MEALs will not be granted extensions.

Licence left over after tendering is available on application. These should be made to:

John Diamond,  
Executive Officer,  
General Industries (2),  
Department of Trade and Industry,  
Private Bag,  
Wellington.

Applications close one month from the date of this publication in the *Gazette*.
