DECISION

ALL these publications were commercially imported through Auckland. They were seized in 1979 but for some reason were not referred to the Tribunal until 1983. Regrettably there has been a further delay within the Tribunal.

By way of comment we have noted over the past 2 years or so the tendency to import, apparently from Australia, a number of publications which are by no means new and which are all sexually orientated. This particular group is no different. Most of them were published in Australia about 1971 or 1972 so that it would seem that they could have been available within New Zealand over a long period. Generally speaking they are poorly produced and in most cases consist of photographs without text. Most of the photographs are in black and white of females in a state of full or partial undress, in most cases exposing genitalia some in contrived or posed positions. It would not be unreasonable to say that generally speaking they are marginal and would appear to have limited appeal.

Written submissions were made by the importer with respect to the following publications:

Bare Babes

Beautiful Blondes

The Bumper Book of Crumpet

Sex Model.

In respect of these publications it was submitted that they warranted an age restriction. Without going into any great detail we consider that the first 3 should be classified as indecent in the hands of persons under the age of 18. *Sex Model* however, contains multiple models and appears to be in a different category from the other 3. It should be classified as indecent.

The next submission was in respect of *Pantie Parade*. There is a text followed by some 50 full page black and white photographs of models most scantily clad in erotic underwear. The book is tasteless and lacking in artistic merit. It was said to show the "erotic allure of female underwear". The publication is marginal but after very full consideration we have accepted the importer's submissions that it should be classified as indecent in the hands of persons under the age of 18.

A separate submission was made in respect of:

Primitive Promiscuity,

Sex Secrets of an Office Secretary,

Strip Scandal,

Strip Jack Naked,

Porno Girl,

Nympho,

Weekend Love,

Bush and Barbeque,

Peeping Tom,

Male and Female Homosexual Love in Pictures,

The Naked Eye.
