UPON the motion of the applicant company dated the 3rd day of February 1984 and on reading the notice of motion of the applicant company, the affidavit of DAVID MERVIN EVANS and the respective exhibits therein referred to and it appearing that the share premium account is in excess of the requirements of the company and that the transfer of the share premium account resolved in the special resolution passed at the annual general meeting of the company held on the 25th day of August 1983 is desirable and as steps for the reduction of the account have been duly taken by the company and as the interest of the creditors are not prejudiced thereby and are adequately protected this Court hereby orders that the reduction of the share premium account resolved in the special resolution passed at the annual general meeting of the company held on the 25th day of August 1983, namely:

(a) That the company transfer from its share premium account the sum of $6,770,224, being part of the amount standing to the credit of that account in the books of the company as at 31 March 1983, to the provision for capital distribution account.

(b) That the amount standing to the credit of the provision for capital distribution account be available for distribution in cash to ordinary shareholders on the register of the company at the date of such distribution proportionately to their shareholding in such amounts and at such times as the directors may from time to time determine.

(the "resolution") be confirmed subject to the following terms and conditions:

(a) That parts (b) and (c) of the resolution may not be varied without the prior approval of the Court;

(b) That so long as any part of the sum of $6,770,224 referred to in the resolution remains undistributed, the accounts of Goodman Group Limited shall be noted as so to show:

(i) the existence of the resolution; and

It continues the exploration of the States Services begun in "State Servants and the Public in the 1980's" and concluded in the "Accountability of Executive." Like its predecessors, "The Path to Reform" reads like a Who's Who of New Zealand public administrators.
Manpower planning is a term which has a wide and rather ill-defined meaning. This report, addressed to the central question: "What is manpower planning?", opens with the philosophy of manpower planning, what it is, its aims and objectives. This is followed by a discussion of what is involved in forecasting the supply and demand for people and skills in the public service. The essentials of departmental manpower is then discussed followed by a chapter devoted to the practice of career development and concluding with a statement on the future development of manpower planning in the public service.
