

EXPLANATORY NOTE:

This exemption notice provides for

- (a) the exemption of certain goods of types not manufactured in New Zealand;
- (b) the exemption of glass tableware, other than cups, saucers, plates and dishes, under the Glassware Industry Plan;
- (c) the exemption under the Electronic Industry Development Plan of portable radios, other than car radios, cassette radios, mantle radios or radios incorporating miniturised television; and
- (d) amends existing exemptions to correct minor drafting errors and maintain alignment with the Customs Tariff.
