ADVERTISEMENTS

THE CHARITABLE TRUSTS ACT 1957

NOTICE OF APPLICATION FOR APPROVAL OF A SCHEME UNDER PART III OF THE CHARITABLE TRUSTS ACT 1957

NOTICE is hereby given that the Public Trustee as trustee of the will of James Dawson Bashford, late of Kaupokonui in New Zealand, farmer, deceased, and as solicitor for the Anglican Boys' Homes Society (Diocese of Wellington) Trust Board has filed in the office of the High Court at Wellington an application for approval of a Scheme varying the terms of the said will under which the farm lands and the residuary estate of the above-named deceased are to be held. Under the said will the farm lands and the residuary estate of the deceased were to be held by the Public Trustee for the purpose of establishing and running on the farm lands a home, under the control of a trust board, for boys under the age of 21 years who were orphans, or who needed assistance for any other reason, where such boys could learn practical farming outside of school hours, but subject to the right of personal residence given to a niece of the deceased in the dwellinghouse on the farm lands, for a period not to exceed the present of an annuity of $800 during her lifetime. The Will also provided that if a trust board to run the proposed home was not incorporated within 10 years after the deceased's death, the farm lands and the residuary estate were to be transferred for the purpose of such home to that trust board of the Anglican Diocese of Wellington or other Anglican trust board appearing to the Public Trustee to be the proper authority to administer the home. The deceased died on 9 June 1963. No trust board has ever been incorporated to run a home for boys on the farm lands, because the establishment and running of such home on the farm lands has become impracticable. The funds held by the Public Trustee in the residuary estate are insufficient to establish and maintain such a home on the farm lands. Under the Scheme, the Public Trustee shall transfer the farm lands and the residuary estate to The Anglican Boys' Homes Society (Diocese of Wellington) Trust Board to be held by the board to permit the above mentioned niece to continue personally to reside in the dwellinghouse on the farm lands and to receive an annuity of $800 during her lifetime, and subject thereto, to apply the income arising from the farm lands and the residuary estate in perpetuity for the purpose of providing scholarships or bursaries to assist in the education maintenance or desirability to attend an agricultural or veterinary college or school or university in New Zealand for the purpose of furthering their education in farming or veterinary science.

Copies of the application, the Scheme and the report of the Attorney-General thereon may be inspected, free of charge, at the office of the Registrar of the High Court at Wellington, or at the Office of the Public Trustee 117-129 Lambton Quay, Wellington.

The purchase price may be paid as more particularly detailed in such Scheme.

6. That the Public Trustee shall alter his notice to give effect to the foregoing authority err or exchange (for land situated in the said Auckland Regional District suitable for the erection of self-contained dwelling units for elderly persons) the said land 131-133 Grafton Road, Auckland. The amount of the price shall be not less than such reserve as the Public Trustee thinks fit after he shall have first obtained a report from a Registered Public Valuer and otherwise such sale shall be upon such terms and conditions as the Public Trustee thinks fit.

7. That the Public Trustee shall as soon as conveniently possible after the acquisition of any piece of land in accordance with the foregoing authority sell or exchange (for land situated in the said Auckland Regional District) certain cash assets, and a settlement fund subject to the trusts thereby created, for a charitable purpose to be determined by the Management Committee of the Bagley Trust subject to and in conformity with the provisions of the Scheme.

8. That the said Scheme contains general and machinery provisions concerning the size materials form of construction plans and specifications and contracts for the erection of the said units.

11. That the Scheme also outlines those powers that with the approval of the Management Committee the Public Trustee shall have including without limiting the generality of the powers set out the power to receive donations or endowments for the general purposes of the Bagley Trust or for any special object or objects which may be connected with the due working of the provisions of that Scheme.

12. That the Scheme in paragraphs 23 and 24 thereof provides for certain directions concerning the destination application and devolution of the income and capital of the residuary estate of the Will of the deceased.

And please take further notice that the hearing in the High Court of New Zealand at Auckland of the application for approval of the Scheme shall take place on the 29th day of February 1983; and that any person desiring to oppose the Scheme shall give written notice of his intention to do so to the Registrar of the High Court at Auckland, and to the Public Trustee (at either 11/17 Mayoral Drive, Auckland or 117-129 Lambton Quay, Wellington) and the Attorney-General, Wellington, not less than 7 clear days before that date.

The Public Trustee by: W. R. AIKEN, District Public Trustee.
