Nelson Raspberry Marketing Committee Elections (No. 3264; Ag. 61338)

PURSUANT to regulation 15 (4) of the Raspberry Marketing Regulations 1979, notice is hereby given that the roll of those persons qualifying to vote for the election of 4 producers representatives to the Nelson Raspberry Marketing Committee will be open for inspection during ordinary office hours at the following post offices viz: Motueka, Upper Moutere, Wakefield, Brightwater, Nelson, Tapawera, Tadmor and Blenheim.

The roll will be available for public inspection for a period of 7 days from 30 May 1984, during which period any person may lodge with the Returning Officer an objection in writing under his hand to any entry on the roll.
Import Licence Tendering Scheme—Use of Registration Number

A large number of discrepancies have resulted in recent rounds of tendering because the bidders’ names have differed from those shown on the Register of Tenderers. This has resulted in much editing and has slowed the announcement of results.

In future rounds of tendering, the name of the bidder will no longer be entered into the computer. Instead the registration number will be entered and this will match up with the number recorded on the register file to produce the correct company name and address. This will provide the basis for recording the names and addresses of successful bidders on the invoices and licences.

It is therefore important for bidders to enter their registration numbers on all bid forms submitted and to enter these correctly. If bid forms are received without the confidential registration numbers on them, there can be no assurance that these are in fact genuine bids.

For these reasons, bids received which do not bear the registration number will be declared invalid. Bids which are subsequently shown to bear the incorrect registration number will also be declared invalid.

An exception to this is bids submitted by tenderers for the first time. In those cases a registration number will be allocated when the bids are processed and thereafter the conditions outlined above will apply.

Dated this 6th day of June 1984.

G. H. ADLAM, for Director-General.
