Before the Broadcasting Tribunal

In the matter of the Broadcasting Act 1976, and in the matter of an application by the Broadcasting Corporation of New Zealand to amend warrant in relation to a relay station at Reefton:

Chairman: B. H. Slane.

Members: Ann E. Wilson, R. H. Boyd-Bell.

Decision

The Reefton area of Westland is served by a 100 watt repeater transmitter co-sited with the television translator which also serves that community. The transmitter, operating on 1521 kHz carries the 3ZA Greymouth community programme.
The BCNZ has applied for an amendment to the warrant for 32A in relation to the relay station to increase the power from 100 watts to 200 watts.

The existing transmitter is now obsolete and a new 200 watt transmitter constructed by the BCNZ is to replace it.

The more powerful transmitter will increase the field of strength by 3dB nearly one and half times the existing field strength. It will extend the coverage area to add approximately 100 people to the existing population of 1415.

Having considered the evidence of W. J. W. Allan, Divisional Engineer, Radio Transmission, the Tribunal is satisfied that the replacement transmitter proposed will result in an improvement in the service to the area and that it is in the public interest that the amendment be approved.

The amendment will come into effect on a date to coincide with the commissioning of the new transmitter. The Registrar should be advised of that date by the applicant.

Dated the 25th day of June 1985.

Signed for the Tribunal:

B. H. SLANE, Chairman.

We have audited the books and accounts of the Auckland Savings Bank for the year ended 31 March 1985 in accordance with generally accepted auditing standards, and have carried out such procedures as we considered necessary. In our opinion, the balance sheet and profit and loss account, together with the notes thereon, are properly drawn up so as to give using the historical cost method, a true and fair view of the financial affairs of the Auckland Savings Bank as at 31 March 1985 and the results of its operations for the year ended on that date, in accordance with section 43 (2) of the Trustee Banks Act 1983.
