The Standards Act 1965—Draft New Zealand Standard Specifications Available for Comment

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft New Zealand standard specifications are being circulated.

Number and Title of Specification

DZ 6317 Specification for safety of electric blankets. \$15.00

This draft Standard sets out design and construction requirements for the safety of electrically-heated blankets and their controls, intended for household and similar general use, that have an area (measured on one surface only) of 0.26 square metres or more and operate on supply voltages not exceeding 250 V a.c. or d.c.

DZ 6317 is an extensive revision of NZS 1302:1962.

The Standard does not exclude electricity-heated mattresses, nor electric blankets of area smaller than 0.26 square metres, nor electric heating pads, but they are subject to some different and some additional requirements and therefore are not adequately dealt with by this draft.

(NOTE—Electric heating pads are those intended for special uses such as for medical, therapeutic, or similar purposes, or for elderly, infirm or disabled persons or infants, or for the care of animals).

The draft does not apply to water-bed heaters.

All persons who may be affected by this publication and who desire to comment thereon, may obtain copies at the price shown, from the Standards Association of New Zealand, Wellington Trade Centre, 15-23 Sturdee Street (or Private Bag), Wellington.

NOTE—Payment must accompany all requests for drafts.

The closing date for the receipt of comment is 30 September 1985.

Dated at Wellington this 28th day of June 1985.

DENYS R. M. PINFOLD,
Director, Standards Association of New Zealand.
