Amount of Tender Accepted: $92,948
Pursuant to section 120(5) of the Customs Act 1966 and within the terms of the Australia-New Zealand Closer Economic Relations Trade Agreement (ANZCERTA), the Comptroller of Customs, acting under the delegated authority is calling tenders for Tariff Quotas (Tendered Australian Tariff Quota—TATQ) for grape wine with an FOB value of $2 or more.

Guide notes to Tariff Quota Tendering are set out below.

Tenders should be addressed to the Comptroller of Customs, Private Bag, Wellington—attention G. A. McTaggart Tariff Concessions, or delivered by hand to the Sixth Floor, Investment House, Whitmore Street, Wellington. Tenders should reach the office of the Comptroller of Customs no later than 4 p.m. on Friday, the 2nd day of August 1985. Envelopes should be marked Tariff Quota Tender.

Notes
1. Tenders are advised that quotas issued under this call for tenders will be for the importation of grape wine classified under Tariff Items 22.05.022 and 22.06.022. (Refer to Schedule of Tariff Items.)
2. Quota allocations made under this call for tenders will be for goods from Australia which comply with the ANZCERTA rules of origin as detailed in the Agreement. Enquiries should be directed to the Collector of Customs.
3. Tenders should be conversant with the various statutes and regulations governing the importation and sale of wine.

Guide to Tariff Quota Tendering
1. Tenders are to express their bids as an amount per litre, e.g. ($1 per litre) even though the quotas will be issued on a value basis.
2. Quotas will be allocated to the successful tenderers on the basis of the number of Tariff Quota allocation sizes. The successful tenderers will receive a duty concession, issued under Reference 99 of Part II of the Customs Tariff, for Tariff Items 22.05.022 and 22.06.022 which will reduce the normal rate of duty down to the level of the bid plus 85c per litre plus 10 percent of the Customs Value, e.g., if a bid was received for $1 per litre the concession rate would be $1.85 per litre plus 10 percent of the Customs Value.
3. The successful tenderers will be those who submit the highest valid bids for the available Tariff Quota units. A bid of more than $2 per litre is unnecessary because any Australian wine with an F.O.B. value of $2 or more per litre may be imported without Quota provided duty of $2.85 per litre plus 10 percent of the Customs Value is paid. A Tariff Quota will not be issued for wine having an FOB value of less than $2 per litre.

4. Results of all tenders will be published in the Gazette which is available at Government Bookshops. Government Bookshops are located at Hannaford Burton Building, Rutland Street (Private Bag, C.F.O.), Auckland 1; Kings Arcade, (P.O. Box 837), Hamilton; Head Office, Mulgrave Street (Private Bag), Wellington 1; Wellington Trade Centre, Cubacade (Private Bag), Wellington; 159 Hereford Street, (Private Bag), Christchurch 1; Cargill House, Princes Street (P.O. Box 1104), Dunedin.

5. Quotas obtainable under the Tariff Quota Tendering will not count towards history for the Global Tariff Quota and will not be taken into account in the administration of any policies under the general system.

Who Can Bid
Tenders may be submitted by any person or enterprise domiciled in New Zealand.

Limitation on Bids
There is no restriction on the number of bids a tenderer may bid for, but it may be necessary to review the number of units allocated to individual tenderers if the total amount available for allocation is exceeded.

Tendering Format
1. Tenders are to be made by letter,
2. The following information must be given:
   (a) Name and address of tenderer;
   (b) Number of units tendered;
   (c) Amount per litre of the bid.

Advice and Publication
1. Following the closing of Tenders, bids will be publicly opened in the department's Head Office, Conference Room, Investment House, Wellington, in the presence of a Justice of the Peace, on Wednesday, the 7th day of August 1985 at 11 a.m.
2. Successful tenderers will receive a Tariff Quota Allocation which will show the c.i.f. value of the wine which may be imported and the concession rate of duty applicable.
3. Unsuccessful tenderers will be notified by letter.
4. The name and allocation of all tenderers, successful and invalid and the amount bid in each case will be published in the Gazette as soon as possible after the opening of the tenders.

Period of Tariff Quota
Tariff Quotas issued under this ANZCERTA Tendering will be available until the 30th day of June 1986.

16.1 Transport Act 1962

The Corporation may refuse to accept or carry any vehicle which at the time of embarkation on any searail service is a passenger service or taxicab service or rental service or goods service vehicle within the meaning of the Transport Act 1962, which is being used to carry on any such service or which is being used to carry on a service deemed to be a goods service for the purposes of that Act, and which is being used for any such service otherwise than pursuant to the authority and in conformity with the terms of a passenger service licence or a taxicab service licence or a rental service licence or a goods service licence or is being used otherwise than in conformity with provisions of the Transport Act 1962 and the regulations made thereunder.
16.2 Unsafe vehicles
The Corporation may refuse to accept or carry any vehicle considered by the Corporation or the Master of a vessel to be insecurely loaded or in any other way not safe for transit.

No loose containers of petrol or other flammable or hazardous substances are to be loaded in any vehicle.

16.4 Fuels other than petrol, diesel, L.P.G. or C.N.G.
When a vehicle is powered by fuels other than petrol, diesel, L.P.G. or C.N.G. it must be certified as safe and roadworthy by the appropriate authority. Any such vehicles may be subjected to inspection prior to shipment.

16.5 Livestock
The carriage of livestock in motor vehicles on the Cook Strait Searail service is subject to the following terms and conditions:

16.5.1 Documentation: Before livestock will be accepted for transit every consignor must provide a consignment note properly completed and any stock removal permits or other documents necessary in connection with the status or regulations (if any) concerning diseases or transportation of animals.

16.5.2 Condition of Livestock: The Corporation may refuse the transport of sick, wild, unmanageable, or fierce animals.

16.5.3 Feeding and watering responsibility: Livestock must be adequately fed and watered immediately prior to being tendered to the Corporation for transport, and a certificate may be required from the consignor that this has been done. Livestock may not be accepted for transport where this condition has not been complied with. Owners of livestock must in all cases make their own arrangements for feeding, watering, or tending stock. The Corporation does not accept any responsibility in regard thereto.

16.5.4 The Corporation accepts no responsibility for the effect of the sea journey on the animals in transit. Any sickness, injury or death which may occur during the journey are solely the responsibility of the consignor.

16.5.5 Stoppage in transit: Should the transport of any livestock be stopped by order of any Government official at any point either before, during, or after transit and whilst still in the possession of the Corporation in consequence of any breach by the consignor or consignee of any regulations concerning diseases of animals, or in consequence of any law or regulation prohibiting importation of such livestock or the like, the Corporation shall, on receiving such order to stop, be taken and considered to have fulfilled its obligations to deliver the said livestock and may deal with the same accordingly. In such cases the Corporation shall not be liable to make any allowance of freight paid, and the consignor or consignee shall not be relieved from his obligation to pay freight.

16.5.6 Containers used for the carriage of livestock on the Searail service will be accepted subject to the following requirements being complied with:
1. Fully enclosed and ventilated.
2. Constructed with sides and floor that are leakproof and the floor covered with suitable material to absorb any animal excreta for the duration of the sea voyage.
3. Constructed with the means of access to allow the animals to be attended to if necessary.
4. Robust in construction and have sufficient lashings and hold bolts used to ensure their safe carriage.
5. A person competent to attend animals during the sea voyage may be required to accompany them.

16.5.7 The Corporation reserves the right to give the Master of the vessel or other Corporation representatives the right to refuse to convey livestock whether ticketed or not if either weather conditions or other circumstances endangers the well being of the stock or any other passenger or vehicle on the vessel.

16.6 Dogs, cats, birds, etc.
Dogs, cats, birds in cages, or other small domestic animals, the property of motor vehicle owners who are passengers on the vessel, will not be accepted for carriage, except that domestic pets of this kind may be left in the owner's motor vehicle free of charge at the owner's risk and must not be removed from the vehicle during the voyage.

16.7 Hazardous substances
The carriage of hazardous substances in motor vehicles on the Cook Strait Searail service is subject to the terms and conditions set out in clause 72. With the exception of petrol, L.P.G. or C.N.G. carried in the fuel tanks, hazardous substances shall not be accepted for conveyance on any road vehicle without the prior authority of the Corporation's Director of Shipping.
16.7.1 Empty road tankers: Empty road tankers, and similar vehicles used for the transport of motor spirit, or like commodity, shall not be conveyed on the Cook Strait Searail service unless accompanied by a certificate, issued by a qualified industrial chemist, to the effect that the vehicle is gas free. Empty road tankers, and similar vehicles used for the transport of motor spirit or like commodity, not accompanied by a certificate issued to the effect that the vehicles and tanks are gas free, shall be treated as hazardous substances and conveyed on Arahanga only and subject to the approval of the Corporation's Director of Shipping.

"17. METHOD OF CHARGING"

The Corporation may require the contract of hire to be produced in cases where motor vehicles hired from a rental company are to be charged at the rates set out in clause 18.3.

17.2 Commercial and heavy vehicle measurement
Commercial vehicle charges shall be determined from declared measurements or, if practical, vehicles shall be measured.

17.2.1 Motorlorries and trailers: Motorlorry charges are to be calculated on overall length, bumper to bumper. If a trailer is towed, the overall length shall be measured from the front of the towing unit to the rear of the trailer (including any projection) and including the drawbar.

17.3 Private and lightweight vehicle measurement
Motorcars, stationwagons, utilities and vans with projections such as baggage carriers and extra bumpers fitted additionally to standard models shall be charged on factory specification lengths.

17.3.1 Caravan and trailer couplings: Caravan and trailer couplings fitted to such vehicles will not be regarded as projecting fixtures. However, for charging purposes, the measurement of caravans and trailers shall include the drawbar fitted to the front of the caravan or trailer.

NOTICE OF INTENTION TO TAKE LAND FOR AN ESSENTIAL WORK

SECTION 23, PUBLIC WORKS ACT 1981

NOTICE is hereby given that the Wanganui City Council proposes to take under the Public Works Act 1981, the land described in the Schedule of this notice.

The land is required for the widening of the carriageway of Somme Parade, a street in the City of Wanganui. Such a requirement is an essential work under the Public Works Act 1981 by reason of it being a public work required for a road. The Wanganui City Council further considers it essential to take the land because the road, while being designated Arterial 1 because of its planned use as a major route, is at present restricted over parts of its length to oneway traffic and the land intended to be taken is needed to carry out the road widening to its design standards.

Any person wishing to object must send a written objection to the Registrar, the Planning Tribunal, Tribunals Division, Justice Department, Private Bag, Postal Centre, Wellington, within 20 working days after publication of this notice.

SCHEDULE

Part of that parcel of land situated at 7 Somme Parade, Wanganui, more particularly described as 358 square metres, more or less, and being part Sections 106 and 107, Town of Wanganui and being part of certificate of title, Volume 52, folio 110 (Wellington Registry) and shown as A on S.O. 34177.

R. A. WILSON, Chairman.

Dated this 15th day of July 1985.

AUDITOR'S REPORT TO THE TRUSTEES OF THE EASTERN AND CENTRAL TRUSTEE BANK

We have examined the balance sheet of the Bank as at 31 March 1985, and the related Profit Statement and Statement of Changes in Financial Position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we consider necessary to the circumstances.

In our opinion, the accompanying balance sheet, profit statement and statement of changes in financial position present fairly, using the historical cost method, the financial position of the Bank at 31 March 1985, and the results of its operations and the changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on the basis consistent with that of the preceding year.
