

Commerce Act 1975

NOTICE is hereby given of decision No. 151 of the Commerce Commission dated 4 December 1985.

By this decision the Commission consented to the proposal whereby the New Zealand Apple and Pear Marketing Board and the New Zealand Fruitgrowers Federation Limited, through the Fruitgrowers Charitable Trust, or through a subsidiary company owned by the Trust, will each acquire 50 percent of the equity capital of Fruitfed Limited subject to the conditions that:

- (1) Any agency arrangement with Fruitfed would not be on terms and conditions more advantageous than those offered to other wholesalers and in particular the Board will not give Fruitfed any more favourable terms and conditions in relation to discounts or rebates, volume supply, trading terms or distribution arrangements than it offers generally to other wholesale merchants or as the case may be in the future to retailers.
- (2) The Board will not allow its position in the local market for pipfruit to be used by Fruitfed, whether as an authorised agent or through the Board's interest in the company to obtain advantageous terms and conditions in relation to discounts, or rebates, volume supply, trading terms or distribution arrangements for export overruns of kiwifruit or any other fresh fruit.
- (3) The Board will not use its holding in Fruitfed to limit, reduce or prevent competition in the production, supply, transportation, storage or sale of fresh apples and pears.

The full text of this decision is available at the Commission's offices, Sixth Floor, 163 The Terrace, Wellington, P.O. Box 10-273, for inspection or purchase.

D. J. KERR, Executive Officer.
