The Standards Act 1965—Draft New Zealand Standard Specification Available for Comment

PURSUANT to subsection (3) of section 23 of the Standards Act 1965, notice is hereby given that the following draft New Zealand standard specification is being circulated.

Number and Title of Specification

DZ 5839 Visibility aids for road users. \$10.

This Standard specifies the performance requirements for retroreflective flexible sheeting or fabric used in the manufacture of garments of visibility aids worn by persons on or near streets and highways at night. It also specifies colours to be used on garments or visibility aids intended to provide a higher visibility of persons on or near streets and highways during daylight. The colours apply either to the materials out of which the garment or visibility aid is made or to materials attached to the garment or visibility aid to increase their visibility.

It does not apply to retroreflectors intended for use as roadside delineators and as road sign reflectors, or any rigid retroreflectors attached to garments. DZ 5441 Parts 1 and 2 covers the performance and the fitting of lights and retroreflectors on pedal cycles.

All persons who may be affected by this publication and whose desire to comment thereon, may obtain copies at the price shown, from the Standards Association of New Zealand, Wellington Trade Centre, 15-23 Sturdee Street (from 1 January 1986 to be known as 181-187 Victoria Street) (or Private Bag), Wellington.

NOTE—Payment must accompany all requests for drafts. The closing date for the receipt of comment is 13 March 1986.

Dated at Wellington this 13th day of December 1985.

DENYS R. M. PINFOLD,
Director, Standards Association of New Zealand.
