*Environmental Impact Report Notified Martha Hill Gold Mining Proposal Waihi Gold Company*

THE Commission for the Environment has received an Environmental Impact Report on a proposal by the Waihi Gold Company to develop an opencast mine at Martha Hill, Waihi, and to process ore and dispose of tailings and waste rock near Baxters Road in the Waihi Basin. The report has been submitted simultaneously with a mining licence application being lodged with the Ministry of Energy.

The report is being audited by the Commission in accordance with the Environmental Protection and Enhancement Procedures. The audit will be addressed to the Ministry of Energy and is to assist that agency to evaluate the environmental implications of the project as part of its consideration of whether, and if so, under what conditions, a mining licence should be granted. The Commission's audit will be published and referred to the Ministry of Energy on or about 8 August 1985.

I invite you to make written submissions to the Commission on the environmental implications of the proposal as described in the report. (You are requested to use A4-size paper and to ensure that handwritten submissions are legible and in dark ink). Submissions should be addressed to the Commission for the Environment, P.O. Box 10-241, Wellington, and should reach the Commission before 5 p.m. on Wednesday, 19 June 1985.

Copies of the report may be purchased for \$10 per set of 4 volumes by writing to the Waihi Gold Company, P.O. Box 190, Waihi or calling at one of the following:
