

PURSUANT to the Import Control Regulations 1973 (S.R. 1980/246) the Secretary of Trade and Industry, acting under delegated authority called tenders for the goods specified below. Tenders closed on 12 May 1986 at 5 p.m. and had to be received by the Registrar of Tenders by then to be valid.

Instructions for tenderers and the general terms and conditions which apply to the submission and acceptance of tenders are set out in the Guide to Licence Tendering dated October 1985. Tenders should be addressed to the Registrar of Tenders, P.O. Box 3146, Wellington, or be delivered by hand to the First Floor of the Bowen State Building, Wellington. Tenders for Round 34 should have reached the Registrar no later than 5 p.m. on 12 May 1986.

Residual Licence

At the foot of the results of those tender numbers where all the licence put up for tender was not all taken, the Residual number of units and the price is printed. Applications for any residual licence should be made on the "Request for Residual Licence" forms available from any office of the Department of Trade and Industry (Auckland, Wellington, Christchurch and Dunedin) and should be sent to the Registrar of Tenders, P.O. Box 3146, Wellington and the envelope should be marked "Round 34 Residual" on the bottom right hand corner.

Where demand for residual licence exceeds supply the computer is programmed to make a random selection.

Results of residual licence allocation will be made known as soon as possible by letter after the 3-week period for applications to be made following publication of these results.

Payment should not be made until invoices are received. Payment should be made by bank cheque preferably to avoid the 15 working days clearance for other cheques.

Licences still left over after this allocation of residuals will be available on request. Please refer to paragraphs 38 to 44 inclusive in the Guide Notes.

This tender was issued under the new rules of tendering as summarised in the preamble to Round 30 and as set out in the revised Guide to Global Import Licence Tendering dated October 1985.

Please note that the tender for the Footwear Industry Plan was for units of a number of pairs of shoes and that the limitation on the number of units which can be won by a single tenderer has been retained. There is no provision for the issue of continuity licence for this tender.

Tenderers should note that successful bids in any tender number will be amalgamated into one invoice, one licence.
