Company Limited, a duly incorporated company having its registered office at 1 Stafford Street, Timaru hereinafter referred to as "the licensee", to lay, construct, put up, place or use the electric lines described in the Schedule hereto. This licence is issued subject to the following conditions:

1. This licence may be cited as the "Timaru Milling Company Limited Electric Lines Licence 1986".

2. The licensee shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or in substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the licensee shall be sufficient if served personally on the licensee or (in the case of the licensee being a corporate body) delivered at the registered office of the licensee to a person appearing to have for the time being the control of that office or sent by registered post letter addressed to the licensee at the postal address set out in the application for a licence or any subsequent address notified by the licensee to the Minister and, if so served, shall be sufficient notwithstanding the death or incapacity of the licensee and notwithstanding that no legal personal representative of the licensee may have been appointed.

4. The service of a notice of any one of several licences shall be good service on all of them.

5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

6. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

7. The licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

8. This licence shall come into force on the 1st day of April 1986 and shall continue until the 31st day of March 1996 unless it is sooner lawfully determined in accordance with clauses 9, 10 or 11 hereof.

9. This licence may be cancelled upon:
   (a) The death of the licensee.
   (b) The winding up of the licensee, where the licensee is a body corporate.
   (c) The bankruptcy of the licensee.
   (d) The sale by the licensee of the electric lines described in the Schedule hereto or of the installation supplied by those lines before the expiry of the term of this licence as provided in clause 8 herein.

10. This licence may be cancelled by the Minister at the request of or with the consent of the licensee.

11. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

12. At the expiry or cancellation of this licence, the licensee shall if so required by notice by the Minister remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A, Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

13. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect, construct or use any electric lines or works except subject to such conditions (not inconsistent with the conditions of this licence and the Electricity Act 1968 and regulations made thereunder) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or works may be situated.

14. The system of supply shall be as described in paragraph (a) of regulation 13 of the Electrical Supply Regulations 1984.

15. The licensee shall, 6 months prior to the expiry of the term of the licence provided in clause 8 herein, make written application to the Minister of Energy for the granting of a new licence.

I. Robert James Tizard, Minister of Energy, acting pursuant to section 21 of the Electricity Act 1968, hereby licence the Hamilton City Council, hereinafter referred to as “the licensee”, to lay, construct, put up, place or use the electric lines described in the Schedule hereto. This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the “Hamilton City Council Electric Lines Licence 1986”.

2. The licensee shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the licensee shall be sufficient if sent by registered post letter to the office of the Electrical Supply Authority.

4. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

5. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

6. The licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

7. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

8. This licence may be cancelled by the Minister of Energy at the request of or with the consent of the licensee.

10. At the expiry or cancellation of this licence, the licensee shall as required by notice in writing by the Minister of Energy remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A of the Electricity Act 1968, to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district in which such lines or works may be situated.

12. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f) and (h) of Regulation 13 of the Electrical Supply Regulations 1984.

13. The licensed area shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

Electric Lines Licence

I. Robert James Tizard, Minister of Energy, acting pursuant to section 21 of the Electricity Act 1968, hereby license the North Canterbury Electric Power Board, hereinafter referred to as "the licence", to lay, construct, put up, place or use the electric lines described in the Schedule hereto. This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "North Canterbury Electric Power Board Electric Lines Licence 1986".

2. The licensee shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment to or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the licensee shall be sufficient if sent by registered post letter to the offices of the licensee.

4. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

5. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

6. The licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cause this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister at the request of or with the consent of the licensee.

10. At the expiry or cancellation of this licence, the licensee shall if so required by notice in writing by the Minister remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect,
construct or use any electric lines or works except subject to such conditions (not inconsistent with the conditions of this licence and the Electricity Act 1968 and regulations made thereunder) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or work may be situated.

12. The system of supply shall be as described in paragraph (f) of regulation 13 of the Electrical Supply Regulations 1984.

13. The licensee shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

Consent to Generation of Electricity by Use of Water

1. Robert James Tizard, Minister of Energy, hereinafter called "the Minister" acting pursuant to section 25 of the Electricity Act 1968, hereby consent to the Wairarapa Electric Power Board generating electricity by the use of water subject to the following conditions:

CONDITIONS

1. This consent is subject to compliance with the Electricity Act 1968 and the Water and Soil Conservation Act 1967 and the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976, the Water and Soil Conservation Regulations 1968, and all Acts or Regulations hereinafter made in amendment of or substitution for any of those regulations together with all other enactments and regulations which may be in force.

2. The generation of electricity by the use of water pursuant to this consent shall be carried out only by means of the works described in the Schedule hereto.

3. This consent shall, unless it is sooner lawfully determined, continue in force until the 31st day of March 2007, or until such time as the grantee disposes of the works or ceases to hold a current and valid right to use the water for the works described in the Schedule hereto.

4. This consent confers no rights to water under the Water and Soil Conservation Act 1967 or otherwise.

5. Except so far as may be expressly set out in this consent, this consent shall not be deemed to authorise the generation of electricity by the use of water for consumption by any person other than the grantee or consumption on any premises other than premises occupied by the grantee.

6. The grantee shall at all times maintain all works for the time being in use so as to be in good and proper working order in accordance with the requirements of the regulations and at all times maintain all works erected by the grantee pursuant to the consent whether in use or not in such good and safe condition as in the opinion of the Minister to be unlikely to cause any danger to life or property.

7. It shall be lawful for any person acting as an Inspecting Officer of the Ministry of Energy (Electricity Division) at all times after the grant of the consent whether during or after the construction of any works to enter and inspect such works for the purpose of ascertaining whether these conditions are complied with, and for that purpose to require that any motive machinery be set in motion and to take specimens of material, make tests and measurements, and do all other things reasonably necessary or convenient for the purposes of such inspection, and the grantee will at all times comply with the reasonable requirements of any such person.

8. If the parties so agree it shall be lawful at any time for the grantee to surrender this consent and the Minister to accept such surrender subject to such terms and conditions as may be agreed upon.

9. Neither the granting of the consent nor anything in the consent expressed or by implication or otherwise is an acknowledgement of any liability imposed by law on the grantee to pay compensation or damages to any person arising by reason of the exercise by the grantee of the powers conferred by the consent.

10. The rights granted by the consent shall be subject to all existing rights theretofore granted and validly held and enjoyed under any enactment or otherwise.

11. If at any time during the continuance of the consent the grantee fails or neglects to observe, perform, and comply with any of the provisions of the consent or fails to comply with the acts and regulations set out in clause 1 of this consent, or otherwise makes default in complying with the terms of the consent, then the Minister may forthwith by notice in writing to the grantee revoke and determine the consent.

12. The grantee of this consent must give notice as hereinafter provided to the Minister of Energy of any change of address of the grantee, or of the registered office, or usual place of business of the grantee.

13. (a) Any notice to be given to the grantee shall be sufficient if served personally on the grantee or (in the case of the grantee being a corporate body) delivered at the registered office or usual place of business of the grantee to a person appearing to have for the time being the control of such premises, or sent by registered post letter addressed to the grantee at the postal address set out in the application for a consent or any subsequent address notified by the grantee to the Minister.

(b) Any notice to be given on the part of the Minister shall be sufficient if given in writing delivered to or sent by registered post letter addressed to the Deputy Secretary, Ministry of Energy, Electricity Division, Private Bag, Wellington.

SCHEDULE

LOCATION AND GENERAL DESCRIPTION OF WORKS

The water shall be taken from the Kourarau Stream at a point in Section 2, Block XIII, Otahoua Survey District and the water shall be used for the generation of electricity by means of the following works:

(a) Headworks consisting of dams and intakes on the Kourarau Stream.

(b) A tunnel leading from dam No. 2 to surge tank No. 2 and thence to a pipeline to the upper powerhouse.

(c) Pipeline and tunnels leading from dam No. 1 to a scour tank and to surge tank No. 1 and thence to the lower powerhouse.
(d) Two powerhouses with turbines and all necessary equipment for generating electricity having combined maximum capacity of 770 kilowatts.

(d) A tailrace leading from the lower power house to the Kourarau Stream.

The said works are as shown on the plan marked NZE 612, deposited in the office of the Electricity Division, Ministry of Energy at Wellington.

Signed at Wellington this 11th day of March 1986.

Consent to Generation of Electricity by Use of Water

I. Robert James Tizard, Minister of Energy, hereafter called "the Minister" acting pursuant to section 25 of the Electricity Act 1968, hereby consent to Otago Central Electric Power Board generating electricity by the use of water subject to the following conditions:

CONDITIONS

1. This consent is subject to compliance with the Electricity Act 1968 and the Water and Soil Conservation Act 1967 and the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976, the Water and Soil Conservation Regulations 1968, and all Acts or Regulations hereinafter made in amendment or substitution for any of those regulations together with all other enactments and regulations which may be in force.

2. The generation of electricity by the use of water pursuant to this consent shall be carried out only by means of the works described in the Schedule hereto.

3. This consent shall, unless it is sooner lawfully determined, continue in force until the 31st day of March 2007, or until such time as the grantee disposes of the works or ceases to hold a current and valid right to use the water for the works described in the Schedule hereto.

4. This consent confers no rights to water under the Water and Soil Conservation Act 1967 or otherwise.

5. Except so far as may be expressly set out in this consent, this consent shall not be deemed to authorise the generation of electricity by the use of water for consumption by any person other than the grantee or consumption on any premises other than premises occupied by the grantee.

6. The grantee shall at all times maintain all works for the time being in use so as to be in good and proper working order in accordance with the requirements of the regulations and at all times maintain all works erected by the grantee pursuant to the consent whether in use or not in such good and safe condition as in the opinion of the Minister to be unlikely to cause any danger to life or property.

7. It shall be lawful for any person acting as an inspecting officer of the Ministry of Energy (Electricity Division) at all times after the time being the control of such premises, or sent by registered post letter addressed to the grantee at the postal address set out in the application for a consent or any subsequent address notified by the grantee to the Minister.

8. Any notice to be given on the part of the Minister shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

9. Neither the granting of the consent nor anything in the consent expressly or by implication contained shall affect or prejudice any liability imposed by law on the grantee to pay compensation or damages to any person arising by reason of the exercise by the grantee of the powers conferred by the consent.

10. The rights granted by the consent shall be subject to all existing rights theretofore granted and validly held and enjoyed under any enactment or otherwise.

11. If at any time during the continuance of the consent the grantee fails or neglects to observe, perform, and comply with any of the provisions in the consent expressly or by implication contained, or fails to comply with the acts and regulations set out in clause 1 of this consent, or otherwise makes default in complying with the terms of the consent, then the Minister may forthwith by notice in writing to the grantee revoke and determine the consent.

12. The grantee of this consent must give notice as hereinafter provided to the Minister of Energy of any change of address of the grantee, or of the registered office, or usual place of business of the grantee.

13. (a) Any notice to be given to the grantee shall be sufficient if served personally on the grantee or (in the case of the grantee being a corporate body) delivered at the registered office or usual place of business of the grantee to a person appearing to the person serving the notice to be a duly authorised officer of the grantee or such other person as the Minister may direct. The notice may be given by registered post letter addressed to the grantee at the postal address set out in the application for a consent or any subsequent address notified by the grantee to the Minister.

(b) Any notice to be given on the part of the Minister shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

(c) Any notice to be given to the Minister shall be sufficient if given in writing delivered to or sent by registered post letter addressed to the Deputy Secretary, Ministry of Energy, Electricity Division, Private Bag, Wellington.

Otago Central Electric Power Board Electricity Supply Licence 1986

I, Robert James Tizard, Minister of Energy, acting pursuant to section 20 of the Electricity Act 1968, hereby license Otago Central Electric Power Board hereinafter called the Electrical Supply Authority to supply electricity, and to lay, construct, put up, place and use all electric lines and works which may from time to time be required for the distribution and supply of electricity within the area specified in the Schedule hereto.

This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the “Otago Central Electric Power Board Electricity Supply Licence 1986”.

2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the Electrical Supply Authority shall be sufficient if sent by registered post letter to the offices of the Electrical Supply Authority.

4. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

6. This licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.
The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the Electrical Supply Authority is in breach of the provisions contained in clause 2 of these conditions.

This licence may be cancelled by the Minister at the request of or with the consent of the Electrical Supply Authority.

At the expiry or cancellation of this licence, the Electrical Supply Authority shall as required by notice in writing by the Minister of Energy, remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the Electrical Supply Authority fails or neglects to remove the same or any part thereof, may, within 30 days from the date of such notice, recover the payment vest in the Minister of Energy and it shall be lawful for any person authorised by the Minister of Energy in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

Nothing contained in the licence, either expressly or by implication shall be deemed to authorise the Electrical Supply Authority to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or work may be situated.

The systems of supply shall be as described in paragraphs (a), (b), (c), (d) and (e) of Regulation 13 of the Electrical Supply Regulations 1984.

The Electrical Supply Authority shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

NAPIER CITY COUNCIL

NOTICE OF INTENTION TO TAKE LAND FOR AN ESSENTIAL WORK

Pursuant to Section 23(1) of the Public Works Act 1981

1. Notice is hereby given that the Napier City Council proposes to take under the provisions of the Public Works Act 1981 the land described in the Schedule hereto.

2. The land is required for service lane and it is intended to use the
land for the purposes of the laying out of a service lane between Bowl Street and Edgeware Street in the City of Napier.

3. A plan of the land intended to be taken is open for public
inspection during ordinary office hours at the offices of the Napier City Council situate in Hastings Street, Napier.
4. The reasons why the Napier City Council considers it essential to take the land are as follows:
(a) The land is designated proposed service lane in the Councils
Operative District Scheme; and
(b) With the rapid commercial development of the area it is now
necessary to create and form the service lane.

5. Persons objecting to the taking of the land should send their
written objection to the Registrar, Planning Tribunal, Tribunals
Division, Justice Department, Private Bag, Postal Centre,
Wellington, within 20 working days after the 20th day of March
1986.

6. If an objection is made a public hearing of the objection will
be held unless the objector gives written notice to the Tribunal that
they want the hearing held in private.

7. If an objection is made:
(a) The objector will be advised of the place and time of the
hearing; and
(b) The objector will have the right to appear and be heard
personally or to be represented by a Barrister and Solicitor
or any other person they authorise.

SCHEDULE

Dated at Napier this 17th day of March 1986.
R. H. HOWELL,
Principal Administrative Officer of the Napier City Council.

NEW ZEALAND WOOL BOARD

PURSUANT to regulation 15 of the Wool Industry Regulations 1978,
notice is hereby given that the Adjusted Weighted Average Sale
Price for the sale held on the 20th day of March 1986 at Timaru
and Invercargill was $346.00 cents per kilogram (greasy basis).

As this price is below the ruling trigger price of
346.00 cents per kilogram (greasy basis), no retention levy is payable in terms of
section 42 of the Wool Industry Act 1977, until further notice.

Dated at Wellington this 20th day of March 1986.
S. D. NEWRICK, Levies Administration Manager.

Raw Wool Services.

CHRISTCHURCH CITY COUNCIL

NOTICE OF INTENTION TO AMEND THE CLEAN AIR ZONE
(CHRISTCHURCH) ORDER 1977

Notice is hereby given that the Christchurch City Council has made
application to the Minister of Health, pursuant to section 12 of the
Clean Air Act 1972, to amend the Clean Air Zone (Christchurch)
Order 1977. The general effect of the amendments are:

(i) To increase the maximum sulphur content of authorised solid
fuels from 0.5 percent to 1 percent by weight.
(ii) To prohibit the use of wood with a moisture content exceeding
25 percent on net weight.
(iii) To extend the effect of the Order by prohibiting the use of
unauthorised fuel in all appliances in the city, including
those appliances not tested and approved for use in clean
air zones.

(iv) To transfer the final approval of authorised fuel burning
equipment and authorised fuel from the Governor-General
to the Minister of Health by the way of notice in the New Zealand Gazette. Such approval must be undertaken in
consultation with this Council but will expedite the process
of amending the Schedule to the Order.

(v) Only appliances tested and recommended for approval by the
Clean Air Council will be included in the Schedule to the
Order which applies to new premises, or new or additional
fuel burning equipment in existing premises.

(vi) To add a clause to ensure the provisions of the Order,
particularly in regard to authorised fuel burning equipment
and fuels, do not apply to Scheduled processes under the
Act. Fuel burning equipment with a heat release of 100
kilowatts and over are scheduled processes and required
to be licensed by the Council.

A copy of the applications may be inspected at the City Health
Department, Fourth Floor, Civic Centre, 163 Tuam Street, between
the hours of 8.30 a.m. and 4.30 p.m. Monday to Friday, during
a period of 6 weeks from the date of the last publication of the notice.

Within the said period any person who will be affected by the
amendment may, by notice in writing to the Minister of Health,
and supplying a copy of the notice to the local authority, object to
the recommendation.

Dated at Christchurch this 18th day of March 1986.
JOHN GRAY,
General Manager and Town Clerk.
