

This licence is issued subject to the following conditions:

#### CONDITIONS

1. This licence may be cited as the "Ashburton Electric Power Board Electricity Supply Licence 1986".

2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the Electrical Supply Authority shall be sufficient if sent by registered post letter to the offices of the Electrical Supply Authority.

4. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

6. This licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the Electrical Supply Authority is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister of Energy at the request of or with the consent of the Electrical Supply Authority.

10. At the expiry or cancellation of this licence, the Electrical Supply Authority shall as required by notice in writing by the Minister of Energy remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the Electrical Supply Authority fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister of Energy in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the Electrical Supply Authority to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or works may be situated.

12. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f) and (h) of Regulation 13 of the Electrical Supply Regulations 1984.

13. The Electrical Supply Authority shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

#### SCHEDULE

##### AREA OF SUPPLY

ALL that area in the Canterbury Land District bounded by a line commencing on the sea coast at the middle of the mouth of the Rangitata River, thence generally north-westerly along the middle of that river, passing to the north of Rangitata Island, to a point in line with the northern boundary of part Rural Section 3796; thence westerly to and along that boundary and southerly along the western boundary of said part 3796 to and south-westerly along the southern boundary of part Run 3 (Mount Peel) to its western boundary; thence generally north-westerly along the western boundaries of said part Run 3, Section 36720, Block III, Acland Survey District and Run 251 (Mount Peel) to the south-western boundary of part Run 303 (Coal Hill); thence generally westerly along the south-western boundaries of said part Run 303; Run 297 (Stew Point) and part Run 302 (Rata Peaks) to and south-westerly, southerly, westerly, northerly and north-westerly along the generally southern boundary of Run 241 (Ben McLeod) and the last-mentioned boundary produced to the middle of Forest Creek; thence south-westerly along that creek to its source in the Two Thumb Range; thence to and generally northerly along the summit of the said Range to the summit of the Main Divide thence north-easterly along the Main Divide to Whitcombe Pass; thence along the middle of the Louper Stream to the middle of the Rakaia River; thence generally south easterly along

the middle of said River, passing to the southwest of Great Island to the sea coast thence generally south-westerly to the point of commencement.

The said area being more particularly shown outlined in black on plan numbered NZE 2111 (sheets 1 to 15) deposited in the office of the Electricity Division of the Ministry of Energy at Wellington.

Signed at Wellington this 14th day of March 1986.

R. J. TIZARD, Minister of Energy.

#### Electric Lines Licence

I, Robert James Tizard, Minister of Energy, acting pursuant to section 21 of the Electricity Act 1968, hereby license the Hamilton City Council, hereinafter referred to as "the licensee", to lay, construct, put up, place or use the electric lines described in the Schedule hereto. This licence is issued subject to the following conditions:

#### CONDITIONS

1. This licence may be cited as the "Hamilton City Council Electric Lines Licence 1986".

2. The licensee shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment to or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the licensee shall be sufficient if sent by registered post letter to the offices of the licensee.

4. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

5. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

6. The licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister at the request of or with the consent of the licensee.

10. At the expiry or cancellation of this licence, the licensee shall if so required by notice in writing by the Minister remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect, construct or use any electric lines or works except subject to such conditions (not inconsistent with the conditions of this licence and the Electricity Act 1968 and regulations made thereunder) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or work may be situated.

12. The system of supply shall be as described in paragraph (f) of regulation 13 of the Electrical Supply Regulations 1984.

13. The licensee shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

#### SCHEDULE

##### DESCRIPTION OF LINES

1. Commencing at the Electricity Divisions Hamilton substation and proceeding:

(a) In a westerly and southerly direction to the southern side of Ruakura Road; thence westerly along said roadside to the council's boundary in the middle of Peachgrove Road,
