

- (b) In a westerly and southerly direction to the northern side of Ruakura Road; thence in a westerly direction to the council's boundary in the middle of Peachgrove Road,
- (c) In a westerly, northerly and north-westerly direction to the southern side of the East Coast Main Trunk Railway; thence proceeding westerly along said side of railway to the eastern side of Peachgrove Road; thence northerly along said roadside for approximately 50 metres and due west to the council's boundary in the middle of Peachgrove Road.

The lines being more particularly shown on NZE 1044.

2. Commencing at a point on the council's boundary in the middle of Pembroke Street in line with the northern side of Tidd Street and proceeding to and along the northern side of Tidd Street to the council's substation.

The line being more particularly shown on plan NZED 673.

3. Commencing at the substation in (2) above and proceeding along the northern side of Tidd Street, and the western and northern side of Horne Street to the council's boundary on the north-western side of Hammond Street.

The line being more particularly shown on plan NZE 2061.

The above plans being deposited in the office of the Electricity Division of the Ministry of Energy at Wellington.

Signed at Wellington this 11th day of March 1986.

R. J. TIZARD, Minister of Energy.

*Electric Lines Licence*

I, Robert James Tizard, Minister of Energy, acting pursuant to section 21 of the Electricity Act 1968, hereby license the North Canterbury Electric Power Board, hereinafter referred to as "the licensee", to lay, construct, put up, place or use the electric lines described in the Schedule hereto. This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "North Canterbury Electric Power Board Electric Lines Licence 1986".

2. The licensee shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment to or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment to or substitution for any of those regulations.

3. Any notice to be given to the licensee shall be sufficient if sent by registered post letter to the offices of the licensee.

4. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

5. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

6. The licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister at the request of or with the consent of the licensee.

10. At the expiry or cancellation of this licence, the licensee shall if so required by notice in writing by the Minister remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect,

construct or use any electric lines or works except subject to such conditions (not inconsistent with the conditions of this licence and the Electricity Act 1968 and regulations made thereunder) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or work may be situated.

12. The systems of supply shall be as described in paragraph (f) of regulation 13 of the Electrical Supply Regulations 1984.

13. The licensee shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.

SCHEDULE

DESCRIPTION OF LINES

A line for the transmission of electricity within the Kaiapoi Borough Council's area of supply commencing at a point on the northern boundary of that council's area at the southern boundary of Maori Reserve 873 and proceeding in a south-easterly direction to the northern side of Dale Street; thence along the northern side of Dale Street and the western side of Williams Street to the northern boundary of the council's area of supply.

The line being more particularly shown on plan NZE 2095.

The above plan being deposited in the office of the Electricity Division of the Ministry of Energy at Wellington.

Signed at Wellington this 11th day of March 1986.

R. J. TIZARD, Minister of Energy.

*Electric Lines Licence*

I, Robert James Tizard, Minister of Energy, acting pursuant to section 21 of the Electricity Act 1968, hereby license the Ashburton Electric Power Board, hereinafter referred to as "the licensee", to lay, construct, put up, place or use the electric lines described in the Schedule hereto. This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "Ashburton Electric Power Board Electric Lines Licence 1986".

2. The licensee shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment to or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment to or substitution for any of those regulations.

3. Any notice to be given to the licensee shall be sufficient if sent by registered post letter to the offices of the licensee.

4. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

5. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

6. The licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister at the request of or with the consent of the licensee.

10. At the expiry or cancellation of this licence, the licensee shall if so required by notice in writing by the Minister remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect,
