

4. The reasons why the Napier City Council considers it essential to take the land are as follows

- (a) The land is designated proposed service lane in the Councils Operative District Scheme; and
- (b) With the rapid commercial development of the area it is now necessary to create and form the service lane.

5. Persons objecting to the taking of the land should send their written objection to the Registrar, Planning Tribunal, Tribunals Division, Justice Department, Private Bag, Postal Centre, Wellington, within 20 working days after the 20th day of March 1986.

6. If an objection is made a public hearing of the objection will be held unless the objector gives written notice to the Tribunal that they want the hearing held in private.

7. If an objection is made:

- (a) The objector will be advised of the time and place of the hearing; and
- (b) The objector will have the right to appear and be heard personally or to be represented by a Barrister and Solicitor or any other person they authorise.

CHRISTCHURCH CITY COUNCIL

NOTICE OF INTENTION TO AMEND THE CLEAN AIR ZONE (CHRISTCHURCH) ORDER 1977

NOTICE is hereby given that the Christchurch City Council has made application to the Minister of Health, pursuant to section 12 of the Clean Air Act 1972, to amend the Clean Air Zone (Christchurch) Order 1977. The general effect of the amendments are:

- (i) To increase the maximum sulphur content of authorised solid fuels from 0.5 percent to 1 percent by weight.
- (ii) To prohibit the use of wood with a moisture content exceeding 25 percent on net weight.
- (iii) To extend the effect of the Order by prohibiting the use of unauthorised fuel in all appliances in the city, including those appliances not tested and approved for use in clean air zones.

(iv) To transfer the final approval of authorised fuel burning equipment and authorised fuel from the Governor-General to the Minister of Health by the way of notice in the *New Zealand Gazette*. Such approval must be undertaken in consultation with this Council but will expedite the process of amending the Schedule to the Order.

(v) Only appliances tested and recommended for approval by the Clean Air Council will be included in the Schedule to the Order which applies to new premises, or new or additional fuel burning equipment in existing premises.

(vi) To add a clause to ensure the provisions of the Order, particularly in regard to authorised fuel burning equipment and fuels, do not apply to Scheduled processes under the Act. Fuel burning equipment with a heat release of 100 kilowatts and over are scheduled processes and required to be licensed by the Council.

A copy of the applications may be inspected at the City Health Department, Fourth Floor, Civic Centre, 163 Tuam Street, between the hours of 8.30 a.m. and 4.30 p.m., Monday to Friday, during a period of 6 weeks from the date of the last publication of the notice.

Within the said period any person who will be affected by the amendment may, by notice in writing to the Minister of Health, and supplying a copy of the notice to the local authority, object to the recommendation.

Dated at Christchurch this 18th day of March 1986.

JOHN GRAY,
General Manager and Town Clerk.
