*Timaru City Council Electricity Supply Licence 1986*

I, Robert James Tizard, Minister of Energy, acting pursuant to section 20 of the Electricity Act 1968, hereby license Timaru City Council hereinafter called the Electrical Supply Authority to supply electricity, and to lay, construct, put up, place and use all electric lines and works which may from time to time be required for the

distribution and supply of electricity within the area specified in the Schedule hereto.

This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "Timaru City Council Electricity Supply Licence 1986".

2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the Electrical Supply Authority shall be sufficient if sent by registered post letter to the offices of the Electrical Supply Authority.

4. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Energy, Ministry of Energy, Wellington.

6. This licence shall not be construed as granting a consent to generate electricity pursuant to section 25 of the Electricity Act 1968.

7. This licence shall come into force on the 1st day of April 1986 and shall continue in force for a period of 21 years from that date unless it is sooner lawfully determined in accordance with clauses 8 or 9 hereof.

8. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the Electrical Supply Authority is in breach of the provisions contained in clause 2 of these conditions.

9. This licence may be cancelled by the Minister of Energy at the request of or with the consent of the Electrical Supply Authority.

10. At the expiry or cancellation of this licence, the Electrical Supply Authority shall as required by notice in writing by the Minister of Energy remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the Electrical Supply Authority fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister of Energy in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

11. Nothing contained in this licence either expressly or by implication shall be deemed to authorise the Electrical Supply Authority to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or works may be situated.

12. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e), (f) and (h) of regulation 13 of the Electrical Supply Regulations 1984.

13. The Electrical Supply Authority shall, 6 months prior to the expiry of the term of this licence provided in clause 7 herein, make written application to the Minister of Energy for the granting of a new licence.
