Consent to Generation of Electricity by Use of Water

I, Robert James Tizard, Minister of Energy, hereinafter called "the Minister" acting pursuant to section 25 of the Electricity Act 1968 hereby consent to Egmont Electric Power Board generating electricity by the use of water subject to the following conditions:

CONDITIONS

1. This consent is subject to compliance with the Electricity Act 1968 and the Water and Soil Conservation Act 1967 and the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976, the Water and Soil Conservation Regulations 1968, and all Acts or Regulations hereinafter made in amendment of or substitution for any of those regulations together with all other enactments and regulations which may be in force.

2. The generation of electricity by the use of water pursuant to this consent shall be carried out only by means of the works described in the Schedule hereto.

3. This consent shall, unless it is sooner lawfully determined, continue in force until 31st day of March 2007, or until such time as the grantee disposes of the works or ceases to hold a current and valid right to use the water for the works described in the Schedule hereto.

4. This consent confers no rights to water under the Water and Soil Conservation Act 1967 or otherwise.

5. Except so far as may be expressly set out in this consent, this consent shall not be deemed to authorise the generation of electricity by the use of water for consumption by any person other than the grantee or consumption on any premises other than premises occupied by the grantee.

6. The grantee shall at all times maintain all works for the time being in use so as to be in good and proper working order in accordance with the requirements of the regulations and at all times maintain all works erected by the grantee pursuant to the consent whether in use or not in such good and safe condition as in the opinion of the Minister to be unlikely to cause any danger to life or property.

7. It shall be lawful for any person acting as an Inspecting Officer of the Ministry of Energy (Electricity Division) at all times after the grant of the consent whether during or after the construction of any works to enter upon and inspect such works for the purpose of ascertaining whether these conditions are complied with, and for that purpose to require that any motive machinery be set in motion and to take specimens of material, make tests and measurements, and do all other things reasonably necessary or convenient for the purposes of such inspection, and the grantee will at all times comply with the reasonable requirements of any such person.

8. If the parties so agree it shall be lawful at any time for the grantee to surrender this consent and the Minister to accept such surrender subject to such terms and conditions as may be agreed upon.

9. Neither the granting of the consent nor anything in the consent expressly or by implication contained shall affect or prejudice any liability imposed by law on the grantee to pay compensation or

damages to any person arising by reason of the exercise by the grantee of the powers conferred by the consent.

10. The rights granted by the consent shall be subject to all existing rights theretofore granted and validly held and enjoyed under any enactment or otherwise.

11. If at any time during the continuance of the consent the grantee fails or neglects to observe, perform, and comply with any of the provisions in the consent expressly or by implication contained, or fails to comply with the acts and regulations set out in clause 1 of this consent, or otherwise makes default in complying with the terms of the consent, then the Minister may forthwith by notice in writing to the grantee revoke and determine the consent.

12. The grantee of this consent must give notice as hereinafter provided to the Minister of Energy of any change of address of the grantee, or of the registered office, or usual place of business of the grantee.

13. (a) Any notice to be given to the grantee shall be sufficient if served personally on the grantee or (in the case of the grantee being a corporate body) delivered at the registered office or usual place of business of the grantee to a person appearing to have for the time being the control of such premises, or sent by registered post letter addressed to the grantee at the postal address set out in the application for a consent or any subsequent address notified by the grantee to the Minister.

(b) Any notice to be given on the part of the Minister shall be sufficient if given in writing signed by the Minister or by any person acting under the authority of the Minister.

(c) Any notice to be given to the Minister shall be sufficient if given in writing delivered to or sent by registered post letter addressed to the Deputy Secretary, Ministry of Energy, Electricity Division, Private Bag, Wellington.

SCHEDULE

LOCATION AND GENERAL DESCRIPTION OF WORKS

WAIUAU—water taken from the Waiau River in Block IX, Opunake Survey District.

Works:

- (a) Headworks consisting of dams and the necessary intakes on the Waiau River.
- (b) Headrace leading water to a storage reservoir known as Opunake Lake.
- (c) Spillway from Lake into Waiau River.
- (d) Pipeline leading to the powerhouse hereinafter referred to.
- (e) Powerhouse with two water turbines and all necessary equipment for generating electricity having a maximum capacity of 360 kilowatts.
- (f) Tailrace leading from the said powerhouse to the sea at the eastern end of Opunake Beach.

The said works are as shown on the plan marked NZE 2120 deposited in the office of the Electricity Division, Ministry of Energy at Wellington.

Signed at Wellington this 24th day of March 1986.

R. J. TIZARD, Minister of Energy.

6/3

Nelson City Council Electricity Supply Licence 1986

I, Robert James Tizard, Minister of Energy, acting pursuant to section 20 of the Electricity Act 1968, hereby license Nelson City Council hereinafter called the Electrical Supply Authority to supply electricity, and to lay, construct, put up, place and use all electric lines and works which may from time to time be required for the distribution and supply of electricity within the area specified in the Schedule hereto.

This licence is issued subject to the following conditions:

CONDITIONS

1. This licence may be cited as the "Nelson City Council Electricity Supply Licence 1986".

2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any Electrical Codes of Practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.
