

CORRIGENDUM

Import Licence Tendering: Amendment to Call for Tenders: Round 34

1. The Secretary of Trade and Industry hereby gives notice of the following amendment to Round 34 of the Call for Tenders which appeared in the Supplement to *Gazette*, No. 55 of 17 April 1986.

2. In Tenders No's 4650 to 4653 inclusive all Tariff Items should read Ex 40.11.044, not Ex 40.11.04L as shown.

TYRE AND TUBE INDUSTRY DEVELOPMENT PLAN

This is the sixth allocation of licence under this plan. No single group of companies is allowed to win more than the specified maximum number of units a tenderer may bid for as advertised under each tender for tubes and tyres. A group of companies is regarded as those companies associated by a 25 percent or more direct or indirect common investment. Licence will be withheld entirely from any group of companies going beyond this limit.

Tender No.	Item Code	Tariff Items	Goods: Brief Description	No. of \$2,000 cif Units	No. of Units a Tenderer May Bid For
4650	Ex 40.036	Ex 40.11.044	Steel cord or steel belted radial truck tyres 20 inch and over and tubes in sets	2275	1707
4651	Ex 40.036	Ex 40.11.044	Steel radial passenger car tyres	814	610
4652	Ex 40.036	Ex 40.11.044	Tyres other than steel cord or steel belted radial truck tyres 20 inch and over, and steel radial passenger car tyres	4600	3450
4653	Ex 40.036	Ex 40.11.044	Rubber tubes for motor vehicles	527	395

It should be noted that the format of the tender is not in line with previous tenders. The licence unit size is now in \$2,000 lots. Bid form T. & I. 335D should be used as for other tenders. A full year's allocation of licence is offered for tender rather than two separate 6-monthly tenders. It should be further be noted that a single invoice and a single licence will be made out for successful bids by each tenderer in each separate tender number.

Dated at Wellington this 6th day of May 1986.

J. W. H. Clark, Secretary.

2
