

(d) The sale by the licensee of the electric lines described in the Schedule hereto or of the installation supplied by those lines before the expiry of the term of this licence as provided in clause 8 herein.

10. This licence may be cancelled by the Minister at the request of or with the consent of the licensee.

11. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the licensee is in breach of the provisions contained in clause 2 of these conditions.

12. At the expiry or cancellation of this licence, the licensee shall if so required by notice by the Minister remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the licensee fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

13. Nothing contained in the licence either expressly or by implication shall be deemed to authorise the licensee to erect, construct or use any electric lines or works except subject to such conditions (not inconsistent with the conditions of this licence and the Electricity Act 1968 and regulations made thereunder) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or work may be situated.

14. The system of supply shall be described in paragraph (c) of regulation 13 of the Electrical Supply Regulations 1984.

15. The licensee shall, 6 months prior to the expiry of the term of the licence provided in clause 8 herein, make written application to the Minister of Energy for the granting of a new licence.
