THIRD SCHEDULE

MARLBOROUGH LAND DISTRICT

1. The Crown shall have due regard to the owner's wish to keep all traffic to the transmitter sites to a minimum during the lambing period (mid-July through August to September) and shall instruct its staff not to make familiarisation visits to the equipment during this period.

2. In order to obtain a reasonable distribution of access track maintenance costs, the registered proprietor of the land in certificate of title No. 2D/610, Marlborough Land Registry (called "the owner") shall not grant any further access rights including renewals of existing rights over the subject land to other persons or organisations except where the owner is bound by an existing contract to make renewals, without first having obtained the written consent of the Crown. Such consent shall be withheld only if the party requiring access does not agree to pay his or her share of maintenance of the track according to the proportional use by that party.

3. No dogs, livestock, or firearms shall be taken over the access road, and no hoardings or notice boards shall be erected on the access track without the prior permission of the owner in writing.

4. The Crown shall at all times indemnify and keep indemnified the owner against all actions, suits, proceedings, claims and demands that may be made or brought against the owner for or on account of in any manner whatsoever in connection with the use of the land and easement described herein for telecommunications purposes.

5. So long as the Crown is the owner of the land described in the First Schedule, the owner shall have the right to graze only free of charge, all the land described in the First and Second Schedules hereto except those areas occupied by buildings and equipment owned by the Crown and any area that may be fenced off by the Crown for security purposes.

6. Where it is necessary for security purposes to fence around any buildings or equipment, such fencing shall be confined to the immediate area of the building or equipment to be secured.

7. Where the formation of any new track or tracks by the Crown requires any fences to be shifted or altered, this shall be done in consultation with the owner or the owner's agent, and the Crown shall meet the cost of shifting or altering such fences. Temporary stock proof fencing shall be erected around all dismantled fences until reinstatement is complete.

8. The Crown, its agents and servants, shall leave any gate across the road required for normal farming operation as found, and shall make good, or pay adequate compensation for, any damage caused by its agents or servants, to fences, other improvements or livestock and brought about by the exercising of the rights herein contained.
