Environmental Impact Audit Suspended, Huntly West No. 1 Mine Development, State Coal Mines

The Audit of the Huntly West No. 1 Mine Development Environmental Impact Report (EIR) was suspended on 9 March 1987. The EIR was received by the Commission for the Environment on 6 December 1986 and submissions invited up to 13 February 1987.

Under the interim arrangements for the administration of the Environmental Protection and Enhancement Procedures, the Office of the Parliamentary Commissioner for the Environment assumed responsibility for the audit on 1 January 1987.

On 26 February 1987 the Coal Corporation Board announced that production from the West Mine would be 150 000 tonnes for the 1987-88 year and that longwall mining technology was unlikely to be introduced in the short term.

Because this proposal differed significantly from that outlined in the EIR, agreement was reached with the chairman of the Coal Corporation Board to suspend the audit until the corporation clarified its future intentions for the West Mine.

HELEN R. HUGHES, Parliamentary Commissioner for the Environment.

WHANGAREI COUNTY COUNCIL

NOTICE OF INTENTION TO TAKE LAND FOR A ROAD

Notice is hereby given that the Whangarei County Council proposes to take land for a road under the Public Works Act 1981. The land, located on Waikiekie North Road just west of its intersection with Walker Road, is presently held in the estate of George Robert Hilford and is more particularly described in the Schedule hereto.

The reasons why the Whangarei County Council considers it essential to take the land are as follows:

(a) A formed carriageway has been in existence over the land for more than 20 years.
(b) It has been used by the public as a roadway during that time.
(c) It has been formed and maintained out of public funds.

Notice is further given that plans showing the said land are deposited at the office of the council situated at Springs Flat. Kamo and may there be inspected without fee by all persons during ordinary office hours.

All persons affected by the said work or by the taking of the said land and who have an objection thereto, not being an objection as to the amount or payment of compensation, must state their objection in writing and send the same to the Secretary, Town and Planning Appeal Board, P.O. Box 12-244, Wellington North, so as to reach him not later than 3 April 1987.

If any objection is received a public hearing of the same will be held unless the objector otherwise requires, and each objector will be advised of the time and place of such hearing.
