Decision

These two publications were commercially imported by parcels post at Hamilton in late June 1986. The books were seized by the Collector of Customs in Hamilton on 1 July 1986 and the Importer subsequently disputed forfeiture. The Comptroller of Customs has advised the Tribunal that due to an administrative error no further action was taken in respect of these publications until July 1987, when the books were submitted to the Tribunal prior to the commencement of condemnation proceedings pursuant to the Customs Act 1986.

Sex Stars' Favourite Positions

This is a soft-cover publication which proclaims on its back cover the contents to be:

"AT LAST! For the first time ever in one book! In exclusive, photographs—famous sex stars illustrate the sexual positions they prefer most! In blue movies, they're directed, but in these never-before-published pictures, they do what they want to do, how they want to do it!"
