Determinations

Determination G6A: Foreign Currency Rates

This determination may be cited as "Determination G6A: Foreign Currency Rates".

1. *Explanation* (which does not form part of the determination).

This determination rescinds and replaces Determination G6: Foreign Currency Rates.

Apart from minor amendments, this determination differs from Determination G6: Foreign Currency Rates only in respect of the definition of "authorised foreign exchange dealer".

The definition of "authorised foreign exchange dealer" set out in clause 5 (b) of Determination G6: Foreign Currency Rates refers to the First Schedule to the Exchange Control Regulations 1985.

The First Schedule to the Exchange Control Regulations 1985 was revoked as from 1 June 1988 by the Exchange Control Regulations 1985, Amendment No. 15.

This determination applies where, for the purpose of calculating the income or expenditure of a person in respect of a financial arrangement denominated in a foreign currency, it is necessary to establish the rate in New Zealand currency of a foreign currency. This will be required in the circumstances outlined in clause 3 of this determination.

This determination sets out the approved markets, sources of information and method, to be used for determining the rate for foreign currency conversion.

2. *Reference*—This determination is made pursuant to section 64E (1) (a) to (f) and section 64E (6) of the Income Tax Act 1976.

This determination rescinds and replaces Determination G6: Foreign Currency Rates, made on 30 September 1987.
