M. No. 837/89

In the High Court of New Zealand, Auckland Registry

In the matter of the Charitable Trusts Act 1957, and in the matter of certain charitable trusts declared by the wills of **Percy Asser** and **Mary Isabel Asser** in favour of **The Auckland Area Health Board** and **The New Zealand Guardian Trust Company Limited**:

Between—The Auckland Area Health Board and The New Zealand Guardian Trust Company Limited—Plaintiffs:

And—The Attorney General—Defendant:

Take notice that on Tuesday, the 1st day of August 1989 at 10 a.m. or as soon thereafter as counsel may be heard, the plaintiffs will move the Court at Auckland for orders:

1. Varying the trusts declared by the Percy Asser and Mary Isabel Asser wills, in the manner referred to in the statement of facts/submissions/schemes filed in this proceeding.
2. Approving the scheme detailed in the statement of facts/submissions/schemes filed in this proceeding.

Upon the Grounds:

1. To a great extent the purposes of the existing trusts have been fulfilled and accordingly the trust property and income that has accrued and will accrue is more than is necessary for the purposes set out in the existing trusts.
2. The trusts would be better administered by varying the powers of the trustees and the mode of administration of the trust.

The Existing Trusts:

1. The will of Percy Asser provides, in part, that the residuary estate is to be transferred to The Auckland Area Health Board ("the board") upon trust for the board to apply the income thereof for any or all of the following purposes:

- (i) For the relief and benefit of any person in necessitous circumstances of any race resident in the provincial district of Auckland who is suffering from or likely to suffer from tuberculosis or consumption ("the disease").
- (ii) For providing or assisting any such person in necessitous circumstances in his or her home or other place.
- (iii) For or towards, should the board erect a hospital or such like for the treatment of the disease, the cost of erection and/or equipment and/or maintenance of such institution.
- (iv) Up to but not exceeding one half of the income for or towards the carrying out of research work in New Zealand in respect of the disease or for or towards the cost of
