Energy

Mining Act 1971

Mining Notices

Whereas, by notice dated the 23rd day of July 1878, and published in the *New Zealand Gazette* of 1878 at page 1075. His Excellency the Governor In Council in pursuance and exercise of the power and authority then vested in him by the three hundred and fiftieth section of "The Municipal Corporations Act 1876" did order that the land described in the Schedule hereto be reserved out of the waste lands of the Provincial District of Otago, for the purpose of granting the same to the Corporation of the Borough of Cromwell.

And whereas the revenue from the said land is now administered by the Cromwell Borough Council who have consented to the said land being brought within the provisions of the Mining Act 1971.

Consequent on receiving such consent, the Minister of Energy pursuant to section 28 of the Mining Act 1971, hereby gives notice that the Endowment land described in the Schedule hereto is hereby subject to the provisions of the Mining Act 1971.

While this notice remains in force, the provisions of the Mining Act 1971 shall apply to the land described herein as if the said land were Crown land open for mining. And this notice is issued for the purposes of granting prospecting licence 31 1546 over the said land described in the Schedule hereto. Such licence is issued subject to the following conditions.

1. That the land be brought within the provisions of the Mining Act 1971, for the duration of prospecting licence 31 1546 and of any subsequent renewal thereof pursuant to section 50 of the Act and of any mining licence that may be granted pursuant to section 57 and 77 of the Act.

2. Mining may be by either underground or opencast methods at the discretion of the licence holder.

3. The written consent of the present lessees R.J. Spriggs and Cromwell Go-Kart Club shall be obtained prior to the commencement of any prospecting operations on the actual areas of their respective leases.

4. Any surface disturbance/excavation undertaken during prospecting operations will be made good to the Council's satisfaction and in line with recommendations on soil restoration.

5. Any investigations or prospecting activities shall not interfere with the activities of the lessees nor with the council's afforestation development activities on the endowment, without prior agreement between the licensee and the lessees or the Council.

6. All shafts, tunnels, boreholes and excavations shall be fenced while open.

7. All fence lines interfered with will be made immediately stock proof and will be reinstated by the licensee as soon as practicable.

8. The licensee will comply with all of the lawful requirements imposed upon it by law and by the terms of any licence granted to it in respect of prospecting and mining operations on the land.

9. In particular the licensee will after completion of any opencast mining progressively restore the surface of the land strictly in accordance with the terms of any licence and any other lawful requirement imposed upon it by the Mining Act or otherwise.

10. In respect of any direct damage or loss that may be caused by mining operations to land, trees, fences or other improvements owned by the council or the lessees and any business operation being carried out on the land, or otherwise,
