ENGINEERS REGISTRATION BOARD OF NEW ZEALAND

List of Registered Engineers as at 1 April 1989 and Expiring 31 March 1990

Explanation

Particulars of each column are as follows:

Column 1—This contains the name and qualifications of each engineer who at the date of the list is the holder of an annual practising certificate issued under section 3 of the Engineers Registration Amendment Act 1944. An engineer who has been registered is required to hold a current annual practising certificate in order to retain the full rights of registration.

Column 2—This gives the postal address, either business or residential, as on the application for Annual Practising Certificate.

Column 3—This shows the date of original registration.

It is also to be noted that corporate membership of one of the recognised British Engineering Institutions entitles the holder to be styled as a "Chartered Engineer", but this information is omitted from the list.

J. M. PRENDERGAST, Registrar.
