(a) Dividend income: Dividend income from Trust Bank New Zealand Ltd. is included in the income and expenditure account when it is received.
(b) Grants: Grants made are included in the income and expenditure account when paid.
(c) Investments: Shares held in Trust Bank New Zealand Ltd. are stated at cost.

2. Investments

Auditors' Report to the Trustees of the Trust Bank Wellington Community Trust

We have audited the financial statements in accordance with accepted auditing standards, and have carried out such procedures as we considered necessary.

In our opinion the financial statements give, using the historical cost method, a true and fair view of the financial position of the trust as at 31 March 1990 and the results of its activities and cash flows for the year ended on that date.
