Commerce

Electricity Act 1968

Proposed Hazardous Area Safety Standards

The Secretary of Commerce invites submissions on the technical aspects of the 7 Australian Hazardous Area Safety Standards listed in the Schedule to this notice.

It is proposed that the standards be inserted into New Zealand Electrical Code of Practice for the Electrical Safety of Apparatus and Materials (NZECP3:1989) by amendment to the Code pursuant to Part IIIA of the Electricity Act 1968 (as inserted by section 6 of the Electricity Amendment Act 1983).

After consideration of submissions, and after the outcome of consultations with such persons as may be affected by the amendment, the Secretary intends to apply for the approval of the Minister of Energy to the resulting amendment to NZECP3:1989.

Submissions should identify the standard and the clause of the standard to which any comments relate and should be sent to the office of the Chief Electrical Inspector, Energy and Resources Division, Ministry of Commerce, P.O. Box 2337, Wellington.

Copies of the standards may be purchased from the Standards Association of New Zealand.

All submissions should be made by 31 January 1991.
