

wish Your Majesty a safe and pleasant journey to your other realms.

Her Majesty replied in the following terms:

MR SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

I have much pleasure in receiving the address adopted by the House of Representatives on the occasion of my period of residence in this realm during the New Zealand 1990 Commemoration. I am most appreciative of the sentiments expressed.

The Duke of Edinburgh and I are very happy to be here at this time of celebration and renewed commitment, and have enjoyed being among the people of New Zealand.

I am grateful for your expressions of loyalty, and for the kind references to members of my family associated with events in New Zealand this year.

May every success attend your endeavours for the best interests of New Zealand in the years ahead.
