A Water Supply Tunnel Easement in Gross Acquired in Manukau City

Pursuant to section 20 of the Public Works Act 1981, and to a delegation from the Minister of Lands, the Manager, Lands and Property, Department of Survey and Land Information, Auckland, declares that, agreements to that effect having been entered into, the water supply tunnel easement in gross described in the First Schedule is hereby acquired over the land described in the Second Schedule and the said easement shall vest in perpetuity in The Auckland Regional Council for water supply purposes on the date of publication in the *Gazette*.

First Schedule

North Auckland Land District

Description of Easement:

1. The full, free uninterrupted, and unrestricted right, liberty and privilege for the Auckland Regional Council (hereinafter called "the Council") from time to time and at all times to take, convey and lead water in a free and unimpeded flow (except when the flow is halted for any reasonable period necessary for essential repairs) and in any quantity, consistent with the rights of other persons having the same or similar rights, from the point of entry and following the course of the land described in the Second Schedule (hereinafter called "the easement land") together with the following additional rights incidental thereto:

2. To use any tunnel or line of pipes laid in or on the said easement land or any tunnel or pipe or pipes in replacement or in substitution for the tunnel or all or any of those pipes.

3. Where no such tunnels or line of pipes exist, to lay, place and maintain, or to have laid, placed and maintained, a tunnel or line of pipes of a sufficient internal diameter and of suitable material for the purpose under or over the surface of the easement land.

4. In order to construct or maintain the efficiency of any such tunnel or pipe line, the full free uninterrupted and unrestricted right liberty and privilege for the Council, its tenants, servants, agents and workmen, with any tools, implements, machinery, vehicles or equipment of whatsoever nature necessary for the purpose, to enter upon the land over which the easement is granted or created and to remain there for any reasonable time for the purpose of laying, inspecting, cleansing, repairing, maintaining and renewing the tunnel or pipe line or any part thereof and of opening up the soil of that land to such extent as may be necessary and reasonable in that regard, subject to the condition that as little disturbance as
