Inland Revenue**Income Tax Act 1976****Determination G6D: Foreign Currency Rates**

This determination may be cited as "Determination G6D: Foreign Currency Rates".

1. *Explanation* (which does not form part of the determination).

This determination rescinds and replaces Determination G6C: Foreign Currency Rates, made on the 24th day of October 1990.

This determination differs from Determination G6C by approving the Australian foreign currency market in the currencies listed in paragraph 6 (1) of the method as a source of exchange rate information.

This determination applies where, for the purpose of calculating the income or expenditure of a person in respect of a financial arrangement denominated in a foreign currency, it is necessary to establish the rate of that currency in New Zealand currency. This will be required in the circumstances outlined in paragraph 3 of this determination.

This determination sets out the approved markets, sources of information and method to be used for determining the rate for foreign currency conversion.

2. *Reference*—This determination is made pursuant to section 64E (1) and section 64E (6) of the Income Tax Act 1976.

This determination rescinds and replaces Determination G6C: Foreign Currency Rates, made on 24 October 1990.

3. *Scope of Determination*—This determination applies where it is necessary for the purposes of sections 64B to 64M of the Income Tax Act 1976 to ascertain the value in New Zealand currency of:

- A cashflow paid or received in a foreign currency under a financial arrangement; or
- A financial arrangement denominated in a foreign currency using a method that has regard to market valuation; or
- In any other circumstances, an amount expressed in foreign currency.

4. *Principle*—(1) Markets in foreign currencies are approved having regard to the following criteria—

- The number of participants in the market or having access to the market;
- Frequency of trading in the market;
