Pursuant to section 28ZG of the Fisheries Act 1983, and delegation made pursuant to section 41 of the State Sector Act 1988, the Director (Operations), MAF Fisheries hereby gives the following notice.

Notice

1. Title and commencement—(1) This notice may be cited as the Fisheries (Bycatch Trade-off) Notice 1991.

(2) This notice shall come into effect on the day after its notification in the *Gazette*, and shall expire on the last day of April 1991.

2. Interpretation—In this notice:

(a) Any reference to Quota Management Area means the appropriate Quota Management Area as defined in the Fisheries (Quota Management Areas, Total Allowable Catches and Catch Histories) Notice 1986; and

(b) Target species and bycatch species are specified by way of fishstock codes, being Fishstock Codes defined in the Second Schedule of the Fisheries (Reporting) Regulations 1990.

3. Offering a lease of quota in lieu of paying deemed value—As from the date this notice comes into effect, any commercial fisherman who could be required under section 28ZD of the Fisheries Act 1983 to pay the deemed value of any fish that is specified as a bycatch species in this notice, may offer the Director-General a lease or sublease of the right to take fish, being fish that are specified in this notice as a target species in relation to that bycatch species, as specified in the tables below. The ratios, as specified, are the amounts of target species which may, in lieu of such payments, be accepted by way of lease or sub-lease in relation to the amount of the bycatch species for which the offer of quota is made, e.g., if a fisher could be required to pay deemed value for 1 tonne of GUR1 and wishes to offer a lease of SCH1 then the amount that can be offered is 1 tonne \times 0.88 = 0.88 tonnes of SCH1.
