Summary of Bills Introduced

Arms Amendment

This bill seeks to amend the Arms Act 1983 to provide stricter controls on the importation and possession of military style semi-automatic firearms. Weapons of this type are to be designated as a separate class of firearms for which permits must be obtained before they are to be imported or owned. Permits which are required for the importation of the firearms or parts thereof, are non-transferable and will expire 12 months after the date of issue. Importers of such weapons will provide the Police with samples of the firearms to which the permit relates. Illegally imported firearms or restricted weapons can be seized by the Police.

The bill seeks to enable holders of firearms licences to apply for an endorsement permitting that person to possess a military style semi-automatic firearm. Members of the Police in determining the application are to be satisfied that the applicant is a fit and proper person to be in possession of that type of weapon. The endorsement may be subject to conditions.

Under this bill, new applicants for firearms licences and for military style semi-automatic firearms endorsements will have to provide photographs to be affixed to their licences. Also, the Commissioner of Police is able to call in firearms licences so that photographs of holders may be affixed either to those licences or to replacement licences.

Provisions in the principal Act dealing with the issue of permits to procure pistols and restricted weapons and the removal of such weapons from New Zealand are extended to military style semi-automatic firearms.

The bill seeks to make it an offence to be in possession of a firearm or airgun when not holding a licence. Also, the provisions in the principal Act which make unlawful possession of a pistol or restricted weapon an offence are to be extended to the unlawful possession of a military style semi-automatic firearm.

Auckland City Council (Rates Relief) Empowering

The object of this Local Bill is to provide temporary relief from rates increases for ratepayers aged 65 years and over living in the Auckland City Council district.

White Island Marine Protected Area

The purpose of this Private Member's Bill is to restrict the use of certain fishing methods in the vicinity of White Island and Volkner Rocks in order to ensure the continued availability of fish species which are especially sought after by recreational fishers in this area, or which are of interest for non-extractive purposes, and to prevent conflict between different types of fishing methods.

The area affected by this bill is the land, water and seabed 1.5 nautical miles around White Island and around Volkner Rocks.

The bill would make it an offence to use nets, long lines, trawl lines, Danish seine nets and purse seine nets.

Invitation for Submissions

Interested parties are invited to make submissions to the Trade Remedies Group, Ministry of Commerce, P.O. Box 1473, Wellington.

Determination as a Specified Importer

Notice is hereby given that I, Alexander Hugh McPhail, Manager, Trade Remedies Group, Ministry of Commerce, acting pursuant to section 3A (2) of the Dumping and Countervailing Duties Act 1988 and under delegated authority from the Secretary of Commerce, have determined that South Pacific Tyres N.Z. Limited, a New Zealand producer of new pneumatic radial ply tyres of a kind used on motor cars (including station wagons) for the replacement market, which is also an importer of like goods, is a 'specified importer'.

The brief reasons for this determination being made are that having regard to the nature and extent of the importations of the allegedly dumped goods including the value, quantity, frequency and purpose of the importations, the Secretary is satisfied that South Pacific Tyres N.Z. Limited should not be excluded from being treated as a New Zealand producer for the purposes of the Dumping and Countervailing Duties Act 1988.

Dated at Wellington this 28th day of November 1991.

A. H. McPHAIL, for Secretary of Commerce.

Declaration

Pursuant to section 12 (2) of the Dumping and Countervailing Duties Act 1988, I, Philip Burdon, Minister of Commerce, hereby declare that by reason of—
