#### *Smoke-free Environments Amendment*

This Bill amends the Smoke-free Environments Act 1990.

The effect of the amendment is to relax the restrictions in the Act as it relates to the sponsorship, by tobacco companies, of multinational sporting events, and to the advertising of such events. A multinational sporting event is defined in the Bill as a sporting event, or a series of sporting events, in which 3 or more countries are represented and that is held in 2 or more countries (including New Zealand).
