

(ii) in favour of the Natural Gas Corporation over the areas marked "L-Q" on S.O. 36791, for gas supply purposes as follows:

Description of Easement

1. The right from time to time and at all times to lay, construct, operate, inspect, maintain, repair, replace, renew, change the size of, substitute and remove a pipeline and all appurtenances thereto (the pipeline and all appurtenances being together hereinafter except where the context requires a different construction referred to as "the said pipeline") in over or through those parts of land marked "L to Q inclusive" on Survey office Plan 36791 (which said parts marked "L to Q inclusive" are hereinafter referred to as "the said strip of land") the said pipeline to remain the property of the grantee and to move, convey, pass and carry through or within the said pipeline natural gas products.

2. The right within the boundaries of the said strip of land to remove all cultivated or natural vegetation including trees and shrubs.

3. The rights of ingress and egress together with its engineers, surveyors, workmen and contractors, with or without, any vehicles, implements, tools, pipes and materials of any kind, in over and through the hereinafter, described land for any and all purposes necessary or convenient to the exercise by the grantee of its rights and interests herein granted, but causing the minimum disturbance to the grantor, his land stock and other property in so doing.

4. The right within the boundaries of the said strip of land to construct, operate, inspect, maintain, repair, renew, change and remove such above ground devices or any one or more of them, as the grantee may consider necessary or convenient for the said pipeline. The expression "above ground devices" shall include (inter alia) surface marker posts, test equipment, metering devices, booster stations and fences around these devices.

Covenants:

5. It is hereby agreed that the grantor shall:

(i) have the right to use the said strip of land except as such use may unreasonably interfere with the enjoyment of the rights and easements granted herein.

(ii) not erect any building, construction or fence or plant any tree or shrub within the boundaries thereof, nor disturb the soil below thereof, below a depth of 0.4 metres from the surface or do anything thereon or therein, which would or could, damage or endanger the said pipeline without the written consent of the grantee.

6. Where the terms herein require the consent of the grantee, then such consent shall not be unreasonably withheld, but may be given subject to reasonable conditions, including the power to revoke with appropriate compensation if it is revoked.

7. It is hereby agreed that the grantee shall:

(i) bury the said pipeline, so that it will not interfere with the ordinary cultivation of the land and in so doing or in maintaining, repairing, renewing, changing or removing the said pipeline shall cause as little damage as possible to the surface of the land.

(ii) make good any damage caused and shall restore all fences damaged or removed and the said surface as near as reasonably practicable as possible to their former condition or state (excluding any trees or shrubs removed), so often as the same shall be necessary hereunder, or alternatively the grantee may at its option compensate the grantors for any damage.

In this notice where the context so requires or admits the singular includes the plural and the masculine gender, includes the other genders and vice versa and words importing persons include companies and vice versa.

This grant and the covenants and conditions herein set forth, shall be binding upon the executors, administrators, successors

and assigns of the parties hereof and the grantee may grant any licence or right in respect of any estate or interest conferred by this notice and may assign any such estate or interest.
